

An abstract visualization of quantum physics. It features a central cluster of glowing particles connected by thin, intersecting lines, suggesting a complex network or a model of an atom. This central cluster is flanked by two large, flowing waveforms. The left waveform is blue and purple, while the right one is orange and red. The background is dark with some faint, glowing points of light.

# Becoming Quantum

The Metaphysics of Miracles

WITH SIMONE WRIGHT

Welcome to Becoming Quantum!

I'm so glad you're here and am thrilled to be sharing these important *Metaphysical* ideas with you.

Our ability to direct our consciousness to partner with the Creative force that shapes the Universe is closer than we think.

And whether you are new to the Spiritual path or have been at it for awhile, the simple, yet powerful principles we'll cover will help you deepen your connection to Spirit, recognize it more precisely and learn to trust it implicitly as it helps you shape your ideas of 'Miracle generating'.

This inner capacity to engage, will help you shape more expanded levels of Wealth, Health, Happiness, Creativity, Peace, Well Being ... whatever is important to you.

*The Metaphysics of Miracles is the language of Life and is rooted in every ancient Mystical practice.*

*It is a language of energy, thought, word and expectation.*

And so, if you've been drawn to join me for this class – it is evident that the expansive impulse of LIFE is moving within you to generate greater levels of Spiritual Power and is inviting you to learn how to Master them.

The saying goes ....

## When the student is ready ... the teaching appears.

For so many of us, our relationship with Metaphysics and the ability to partner with 'energy' to transform it, is a bit frustrating and sometimes downright heartbreaking.

The misunderstandings of Metaphysics and how to use Consciousness to shape our reality, can put us in a state of confusion and a belief that the Universe doesn't really WANT us to have those things we desire.

My intention through Becoming Quantum is to transform those misunderstandings into wisdom that is elegant and will help you generate the outcomes you desire ... even surpass them ..

When we're rooted deeply in understanding and wisdom, our relationship with Spiritual energy is completely transformed and we discover our ability to shape reality is easier than we ever considered.

I invite you to just take a moment ... and ask yourself, what would it feel like to KNOW and TRUST your ability to generate Miracles in your life? Not in a fluffy, airy fairy way, but in a way that was SOLID, REAL and GROUNDED?

What would that look like? Feel like? What would you dare to create if you had that knowing?

It is possible and you're closer than you think, we just need to get clear on some of the Physics of Metaphysics and start putting them to work in the right way ....

# My INTENTIONS for YOU...

These are my intentions for this Introductory Mini Masterclass ...

- to give you a strong metaphysical foundation, knock the fluff off of some ineffective new age misunderstandings,
- Put more power in your hands to start to shape your Miracle making capacity
- Deepen your partnership with Creative (Spiritual energy) so it becomes something you implicitly TRUST

The 3 things we'll cover in *THIS* module:

- Our position in the Metaphysical Equation
- How reality is generated
- Engaging and Making Space

## Important things to know:

When we work in the QUANTUM we need to develop a more MATURE understanding of Metaphysics.

This requires us to let go of some of the naïve understandings we've been taught in the New Age.

It is ESSENTIAL that we take a Curious, Investigative, Experiential approach to our work.

This is the 'boots on the ground', field tested, yet DEEPLY powerful and effective attitude that serves every Mystic and Metaphysician in becoming Miracle Prone.

# Important things to know:

Here are the no BS essentials:

Everything we see sense and experience in the 3D world happens in MIND/ Consciousness first

The 3D world has NO creative power. It is an EFFECT.

We DON'T ATTRACT our reality – we PROJECT it

We DON'T need to Vibrate HIGH in order to engage with Source energy

The more we claim our position in the creative equation, the more powerful it becomes

The more we LET GO of our 3D selves, the more access we have to Quantum energy ...

More important things will come...

## 3 STEPS TO QUANTUM

1. Move into Phase
2. Release all that isn't Quantum
3. Affirm the Ultimate reality  
Today we'll focus on #1 and #2.

'COME UP TO US AND TELL US  
WHAT YOU WANT' ~ your Soul

When we UNDERSTAND these metaphysical principles of consciousness, the ability to become Quantum in nature, becomes easier and easier ...

We become more Spirit and less Matter and have greater access to the Qualities of the Quantum mind that make miracles possible.

# Understanding POWER

- ▶ Power – Mystically Speaking is the ability to channel, hold, shape, guide and direct spiritual energy, using MIND as the container.
- ▶ In order to do this in a meaningful way we must be strong of MIND, BODY & SPIRIT or we will be ineffective or even cause ourselves harm
- ▶ Power is not an external thing nor is it something we hold over others – it is an internal structure of balance, stability, strength and order that allows us to be a noble conduit through which spiritual energy can move
- ▶ It is not something we HAVE, it is something we ARE.  
le: Hoover Dam
- ▶ Energy can be redirected (Re-SOURCED) to generate NEW forms of energy
- ▶ When we work QUANTUM, we need to own our RELATIONSHIP with POWER
- ▶ If you DON'T, your attempts will fail or worse, fry your circuits

13

# Claiming POWER

“I AM ONE WITH THE  
CREATIVE POWER  
OF THE UNIVERSE,  
ITS WILL AND MY  
WILL ARE ONE AND  
ITS WISDOM GUIDES  
MY MIND, BODY  
AND SPIRIT IN ALL  
WAYS.”

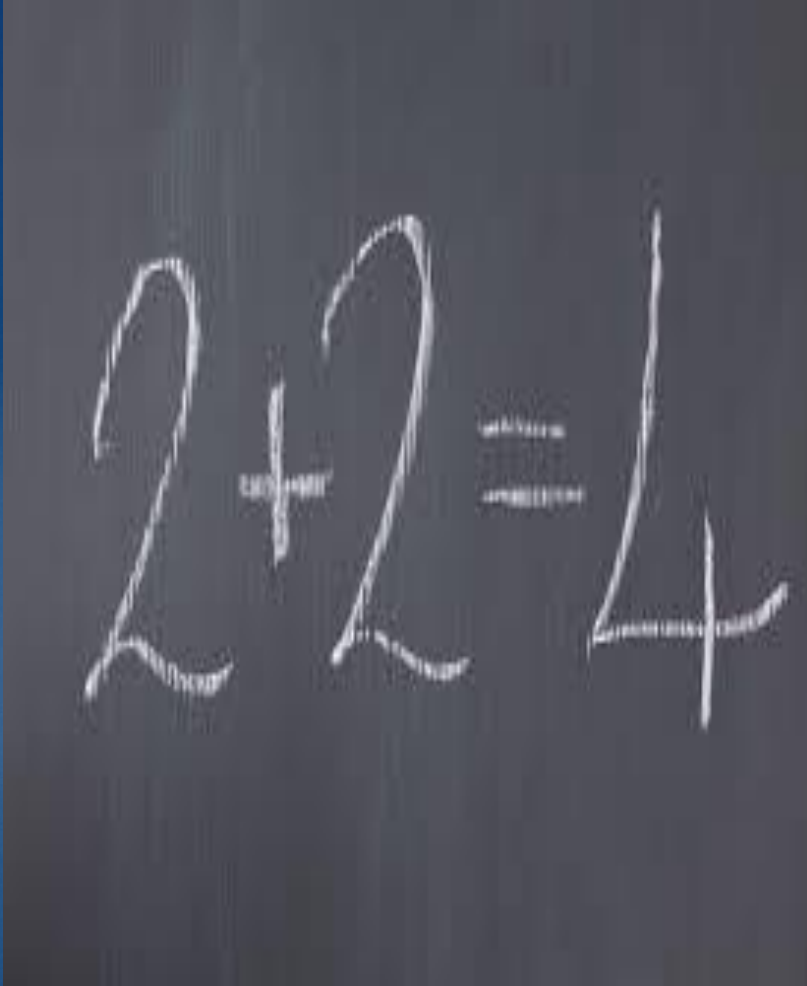

## TWO VERY IMPORTANT PRINCIPLES TO REMEMBER

- #1. The Universe is Mental
- #2. Our Inner World (Mind and Energy) shapes our outer world

So the more Mastery we have over our Mind and the things that arise out of it that shape everything (emotions, physical body, outer environment etc) the more able we are to authentically shape our reality.

If we amplify POWER and we don't have a grip on our SELVES – then we'll cause ourselves a lot of trouble.

We must understand PRINCIPLES

These are NOT personal.

“God is no Respector of persons. He shines on the saint and the sinner”

But are ‘laws’ of nature (L.O.A is not the only one.

What you put in (via MIND) is what you get out (via Stuff)

Inner world is CAUSE – outer world is EFFECT (KARMA)

The Universe isn’t responding to what you are Doing (Action) – it responds to how you are BEING. (Mind/ Consciousness)

## An important Principle: Creation/Destruction

### MAKING ROOM FOR SPIRIT

As you generate more Power to Become Quantum and generate NEW outcomes, that Creation of the new will only happen if / when you can release that which no longer is in alignment with your new levels of consciousness.

You will be asked to look even MORE deeply at old limitations, constructs and realities that you carry within and have shaped without and be willing to release them in order to make room for the NEW LIFE emerging from within you.

If you are able to RELEASE and allow the old to dissolve without anger, clinging, blame or fear – and meet it with grace, understanding, equanimity and clarity – the Miracles you seek will happen with greater speed, elegance and well-being, and you will allow yourself to stay in the flow of the Divine Mind with greater consistency.

When we do not understand this balance of letting go of the old illusions in order to create space for the new authentic truth – we suffer – and the process becomes difficult and anxiety ridden; cutting us off from Source energy and leaving us spinning our wheels.

Awareness of this principle saves us a lot of time and worry. Ultimately leads us to TRUTH.

# Our Quantum Identity

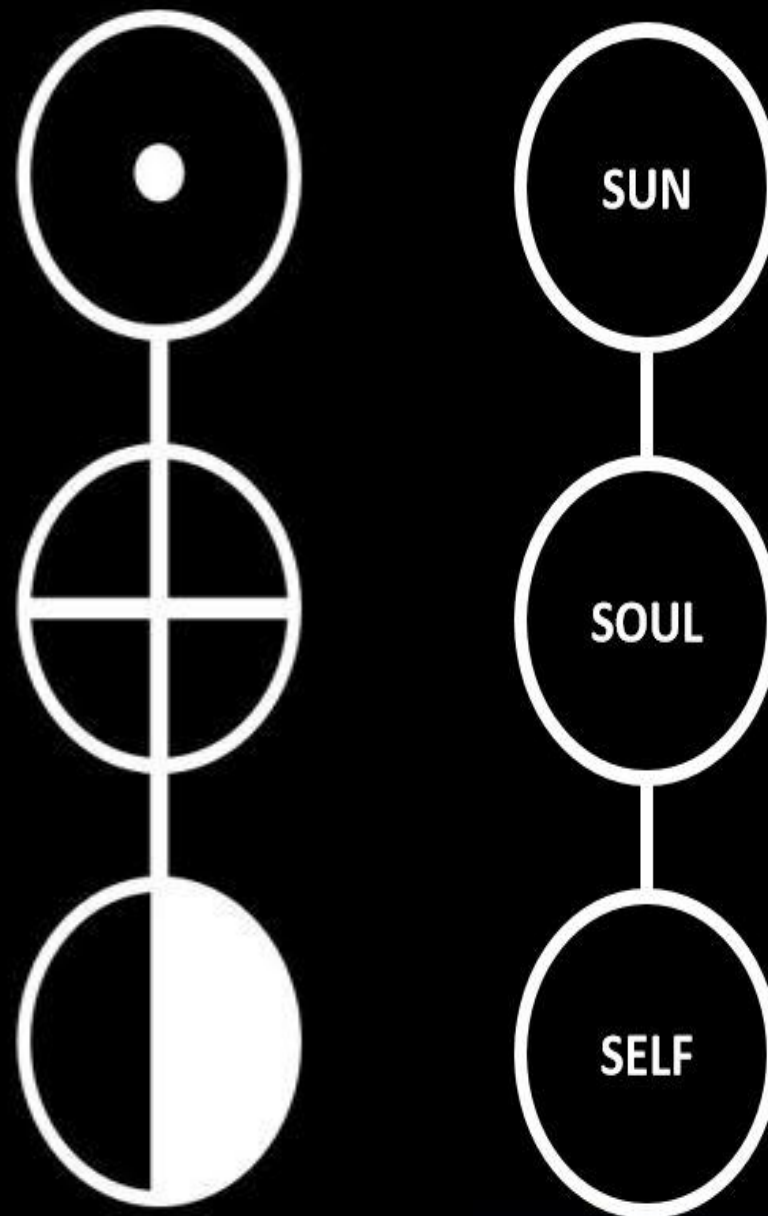

In order to begin to access the Quantum we need to understand ALL of our energetic parts.

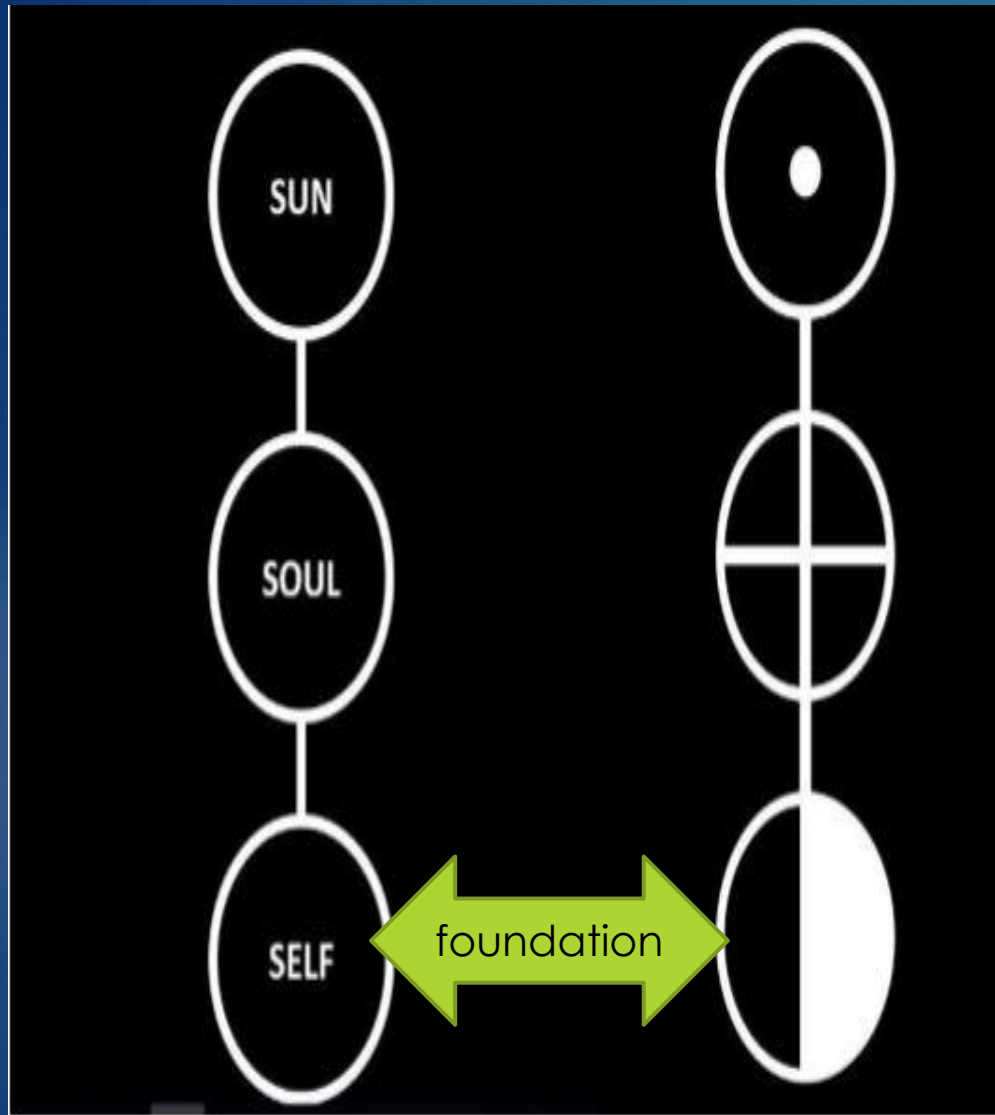

Including our physical identity, rooted in time, space and matter – AND our nonphysical identity, that is beyond time, space and matter.

One of these parts of our selves must follow the physics of the 3D world ...

The Quantum part of us, is NOT bound by those same rules ....

THIS IS A VERY IMPORTANT SYMBOL.  
Become intimate with it ... it is YOU!!

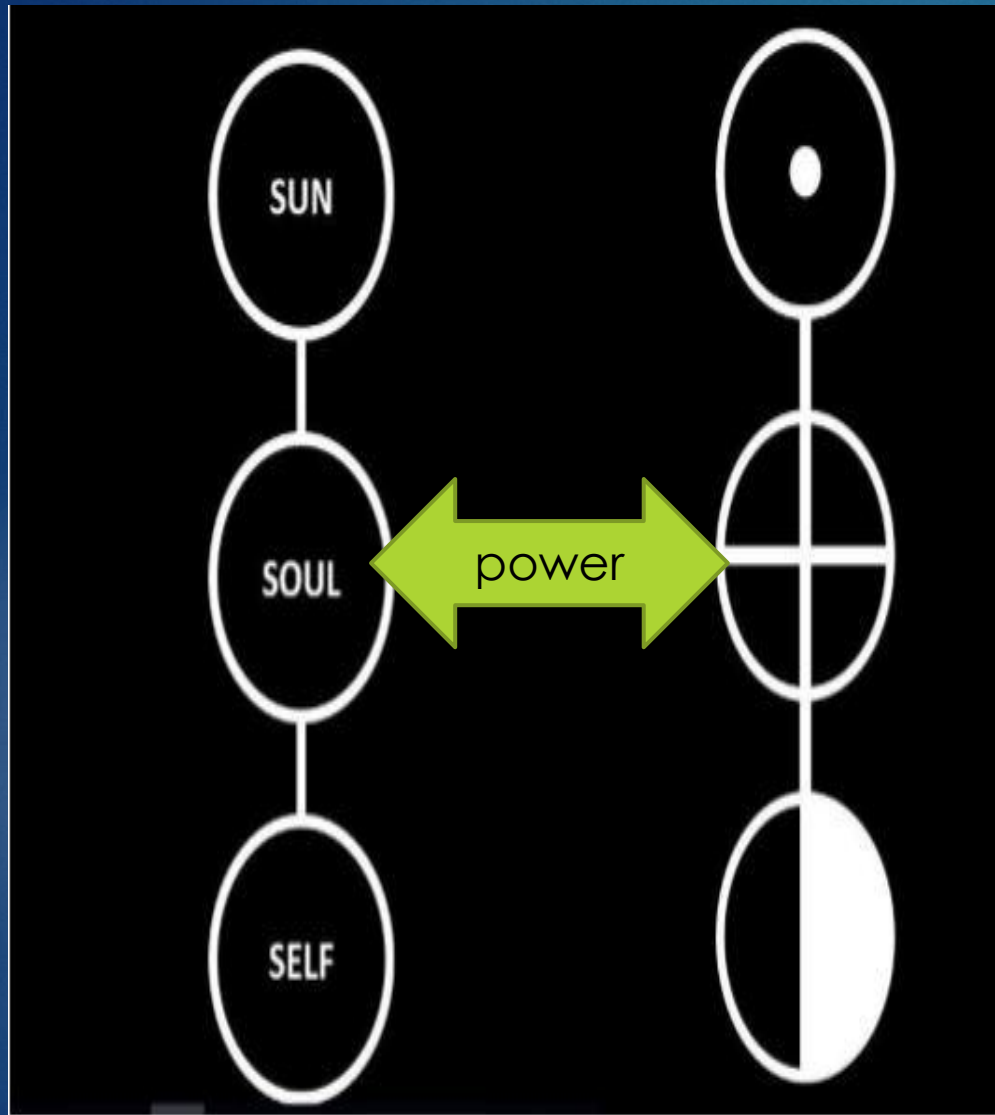

In order to do any QUANTUM work, we begin in SELF, and elegantly, through Wisdom and Understanding of Principle, begin to dissolve the patterns that keep us locked in the physical 3D world.

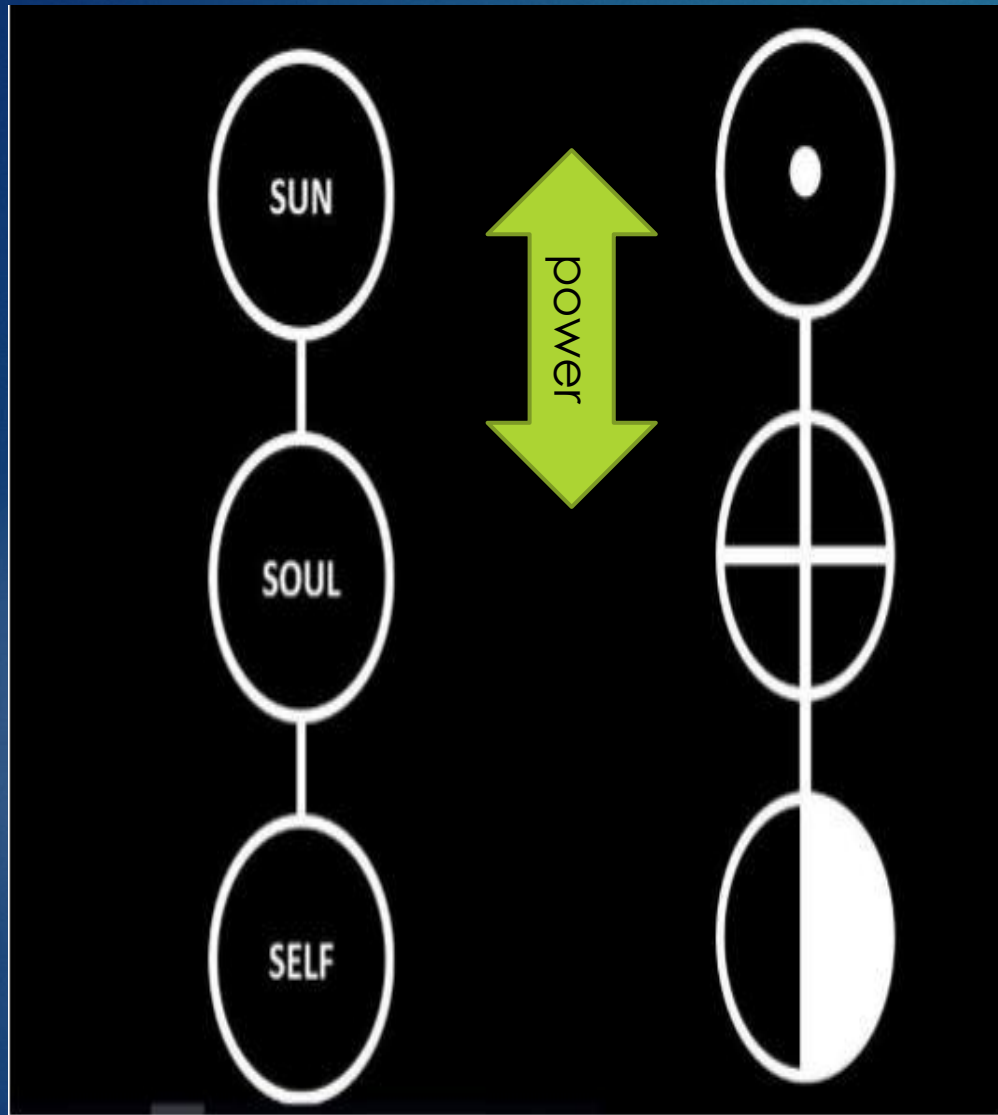

The work of 'making room for Spirit' is done in the SELF.

Self is shaped by 3-D – SOUL rises OUT of it.

As we prepare our Quantum work, we stabilize our presence in SOUL to provide greater engagement and association with Source energy.

The symbol of SOUL is the representation of our identity in perfect balance between the Spirit and Material worlds.

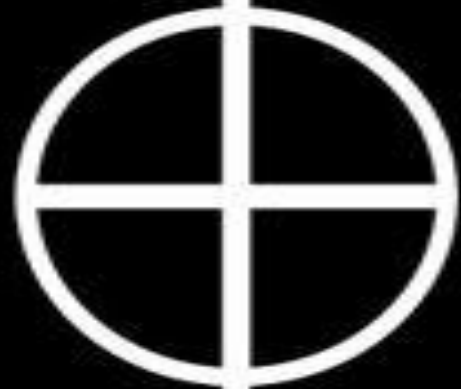

It is only by understanding these levels and doing what is required to move OUT of the 3D SELF can we gain access to the QUANTUM mind.

It is at this level we engage directly with Source energy.

Must be earned. Is a skill. Not a given. Which is why not everyone becomes a MASTER.

# INTEGRATING MATTER AND SPIRIT

THE FATHER AND I ARE ONE.

Translation ...

I have gone QUANTUM

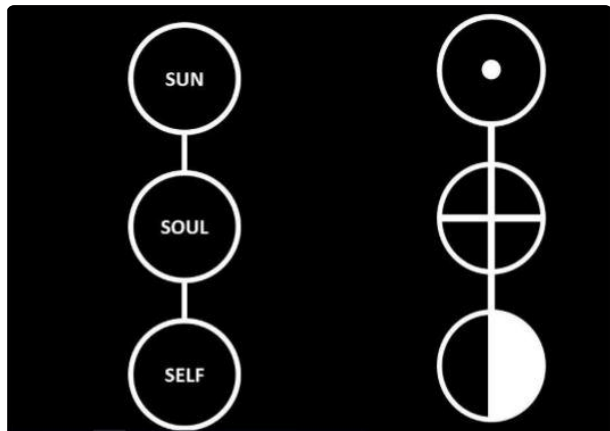

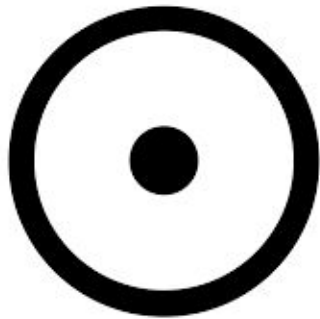

"Heed these words, you who wish to probe the depths of Nature: If you do not find within your Self that which you seek, neither will you find it outside. If you ignore the wonders of your own House, how do you expect to find other wonders? In you is hidden the Treasure of Treasures. Know Thyself and you will know the Universe and the Gods."

# SOURCE

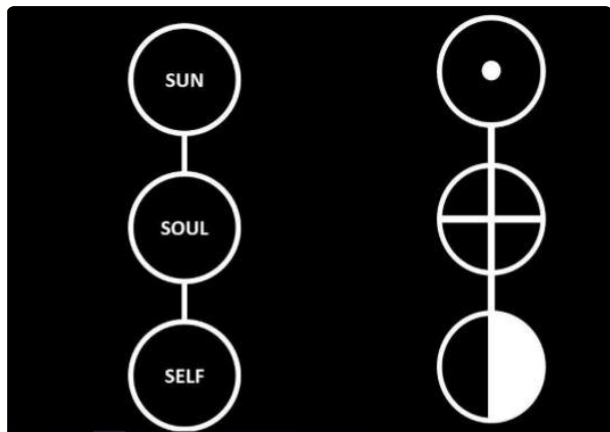

28

## ATTRIBUTES OF 'Source Mind' - BEING

- \*Divinity (God force) nourishes Self worth
- \*Constant awareness
- \*Source centered / Serene
- \*Emotional equilibrium
- \*Needs no acknowledgement
- \*Perfect discernment
- \*Whole, complete, no opposition
- \*Rooted in Infinity (no time, no space, no material nature)
- \*Foundation of BEING
- \*Does nothing / Accomplishes everything

# SOUL

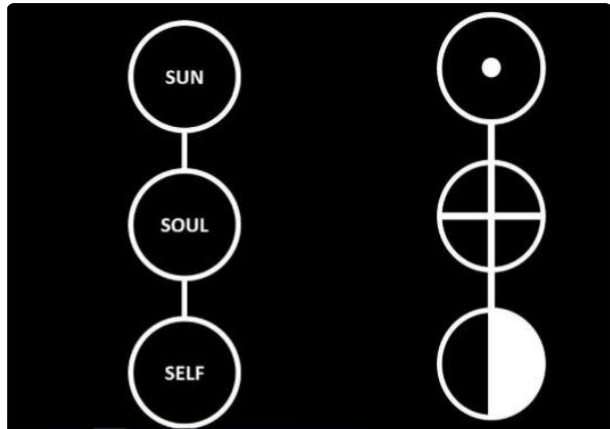

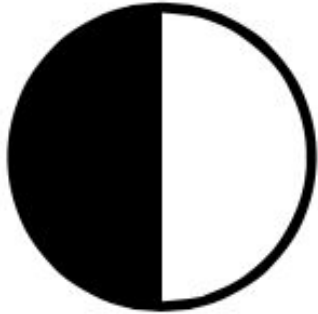

## ATTRIBUTES OF 'Soul Mind' – Subtlety

- \*Soul nourishes self worth (not above or below anyone/anything)
- \*Consistent awareness
- \*Soul centered/ authentic
- \*Emotionally stable (no fear)
- \*Needs little or no acknowledgement
- \*Reliable discernment
- \*Exists in the present moment
- \*Infinite Creative Power
- \****The conduit of QUANTUM POWER***

# SELF

30

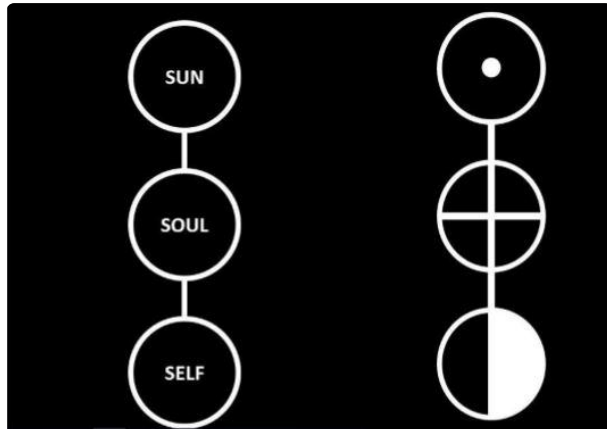

In order to BECOME QUANTUM our work must originate in SELF. We have to CLEAR out the CONDITIONING of consciousness in order to gain access to Soul and Source ...

So in this module, this is where we will focus.

Without this UNCONDITIONING we can do all of the vibrating high/ LOA we want, but we'll only be able to go as far as those conditions will allow. \*\*little / no progress

We can only create reality that is in proportion to our level of consciousness -

# SELF

*Stories/Perceptions inform self worth  
History of trauma, experience, pain, beliefs,  
attitudes, judgments shapes EVERYTHING in  
reality.*

Inconsistent awareness, artificial.  
Emotionally unstable (filter of fear)  
Needs acknowledgement  
Unreliable discernment  
Takes EVERYTHING Personally  
Hangs out in Past and Future  
Generates turbulence and opposition  
Limited Creativity  
Comfortable in old patterns

This is the level of MIND that is transformed in  
order to BECOME QUANTUM

As we REFINE our MIND and release the conditioning of SELF, we begin to see the world with QUANTUM EYES ... as it REALLY is.

UNLIMITED. And so our outer reality, becomes a reflection of that unlimited perception.

Quantum Engineers are Masters at recognizing the mental habits and tricks the SELF plays and neutralizing and releasing them.

Thus giving them the POWER to more deeply engage with the Quantum field to deliberately shape their inner world / outer world reality.

As we become more QUANTUM this limitation filter becomes softer and less active – and we are able to authentically PERCIEVE TRUTH and see the World as it really is. (and ourselves as we really are)

This influences our actions and shapes our lives. Courage, growth, happiness, health, relationships, well being, prosperity, success, vision, generating beneficial outcomes etc.

We make the Quantum leap into Soul and Source to help us shape those choices in reality. (Light bulb to Laser Beam)

Miracles in the material world.

# Quantum Principle

SPIRIT MOVES IN DIRECT PROPORTION TO HOW MUCH ROOM WE GIVE IT TO MOVE.

- ▶ IF THERE IS 'STUFF' IN THE WAY ... ENERGY GETS BACKED UP, CAN'T FLOW, CAN'T GENERATE NEW OUTCOMES
- ▶ THIS 'STUFF' IS MIND DEBRIS CARRIED IN SELF, THAT WE MUST NEUTRALIZE AND RELEASE IN ORDER TO GAIN ACCESS TO QUANTUM MIND

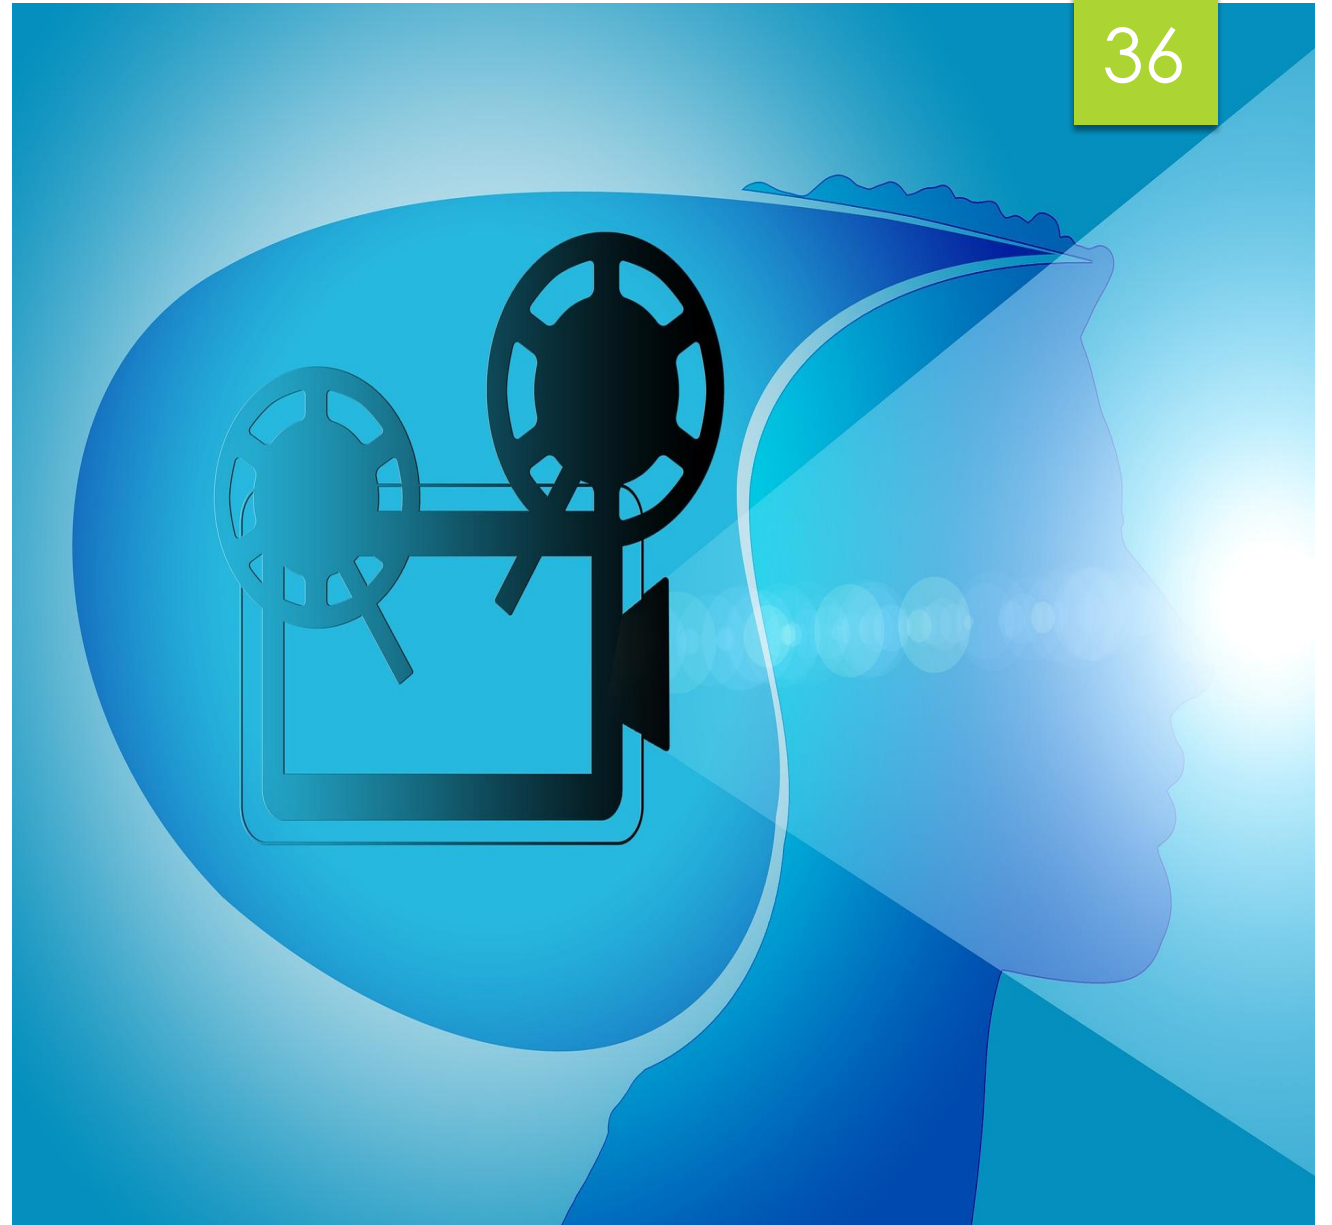

## Reality is a projection generated by SELF

EVERYTHING in your life history has **CONDITIONED** you. It has become an energetic imprint on your consciousness that influences **HOW** you perceive reality and **WHAT** you perceive in that reality.

SELF believes these historical things are **REAL** and so carries them around within consciousness –

SOUL and SOURCE have never been touched by these 3D situations, no matter how traumatic, poignant or influential.

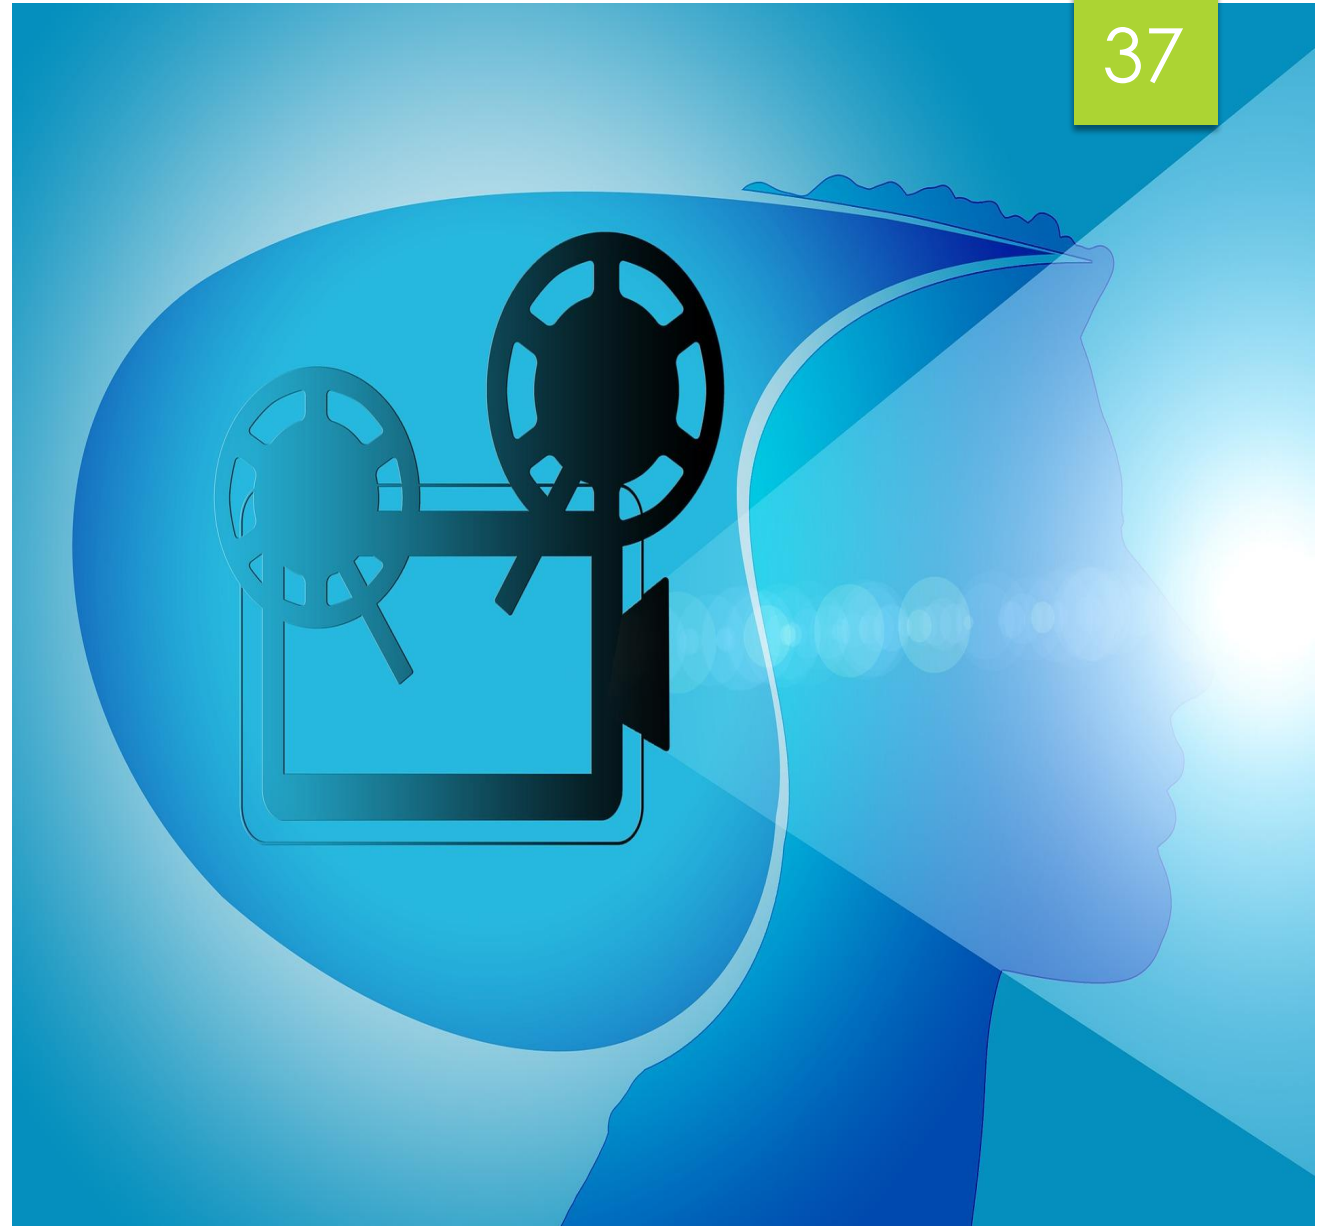

REMEMBER our ADVANCED  
PRINCIPLE:

Everything in the 3D world is a  
Created thing and so is an  
EFFECT.

From a SOUL / QUANTUM  
perspective, these things are ALL  
illusory in nature and so have NO  
ability to interfere, harm, or  
distort our SOUL. \*true nature\*

Our Soul remains perfect and  
UNCONDITIONED ... it is our SELF  
that becomes fragmented and  
perceives things in error.

*Be ye perfect as your Father in  
heaven is perfect.*

## REFINING MIND

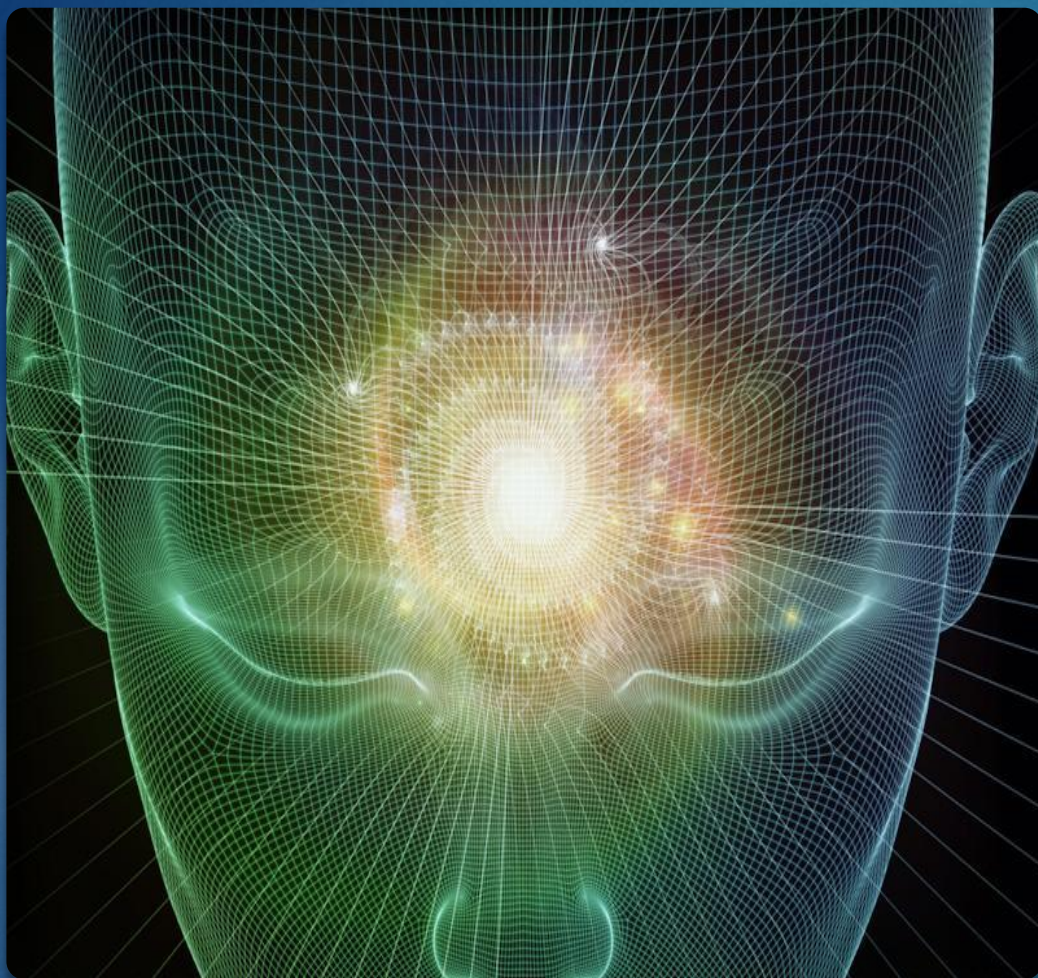

Think of it as a Goldsmith further purifying 18k Gold into 24k Gold.

Removing more Spiritual Lead to obtain greater Purity of the BEING.

When we BECOME QUANTUM we run more Spiritual Energy through us, so we need this refinement.

Essential/continual/ ongoing part of the Quantum Process ... we gladly do it daily

Our goal is to shape a MIND that is STABLE, STILL, PEACEFUL, POWERFUL, CLEAR, BALANCED, ORDERED, PRECISE and UNCONDITIONED.

That we can DIRECT, FOCUS and USE to BENEFIT and SERVE our ability to:

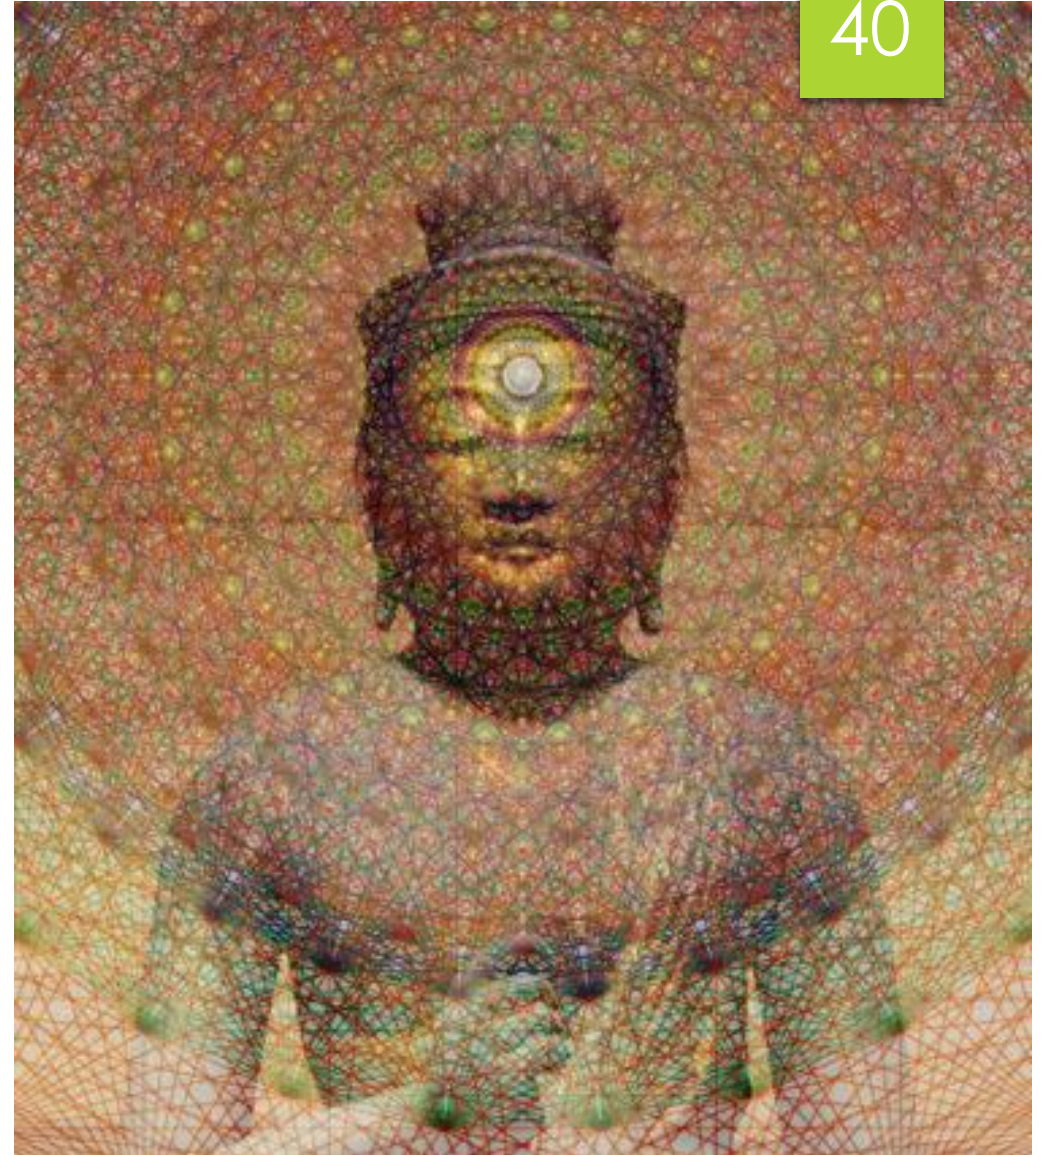

- #1. Move into Phase
- #2. Release all that ISN'T Quantum

This is QUANTUM MASTERY

# Quantum MIND

“We live in illusion and the appearance of things. There is a reality. We are that reality. When you understand this, you see that you are nothing, and being nothing, you are everything. That is all.”  
“To understand everything ... is to forgive everything. “

~ Buddha

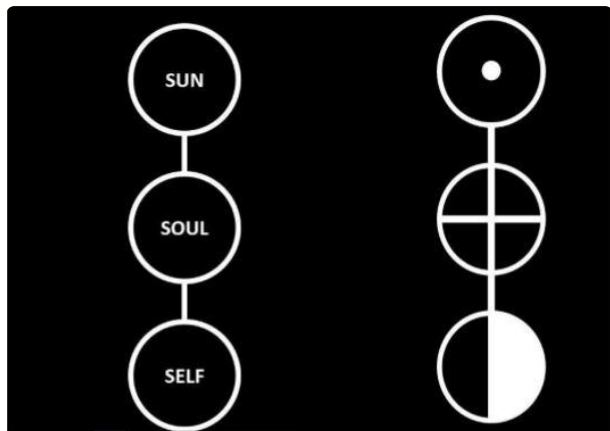

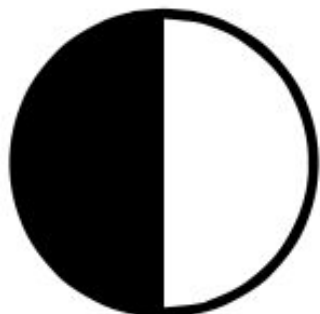

## UNDERSTANDING = QUANTUM Forgive-ness

The SELF is NOT bad or wrong or evil – just limited. Forgetful of its Divine nature and so creates difficulty for itself. It carries with it ALL of the patterns / CONDITIONS of the 3 D world.

Memories, wounds, attachments, beliefs, things folks did or said to us, attitudes ...

ALL of these conditions of mind, create our reality and the circumstances in it (repeated patterns that happen again and again)

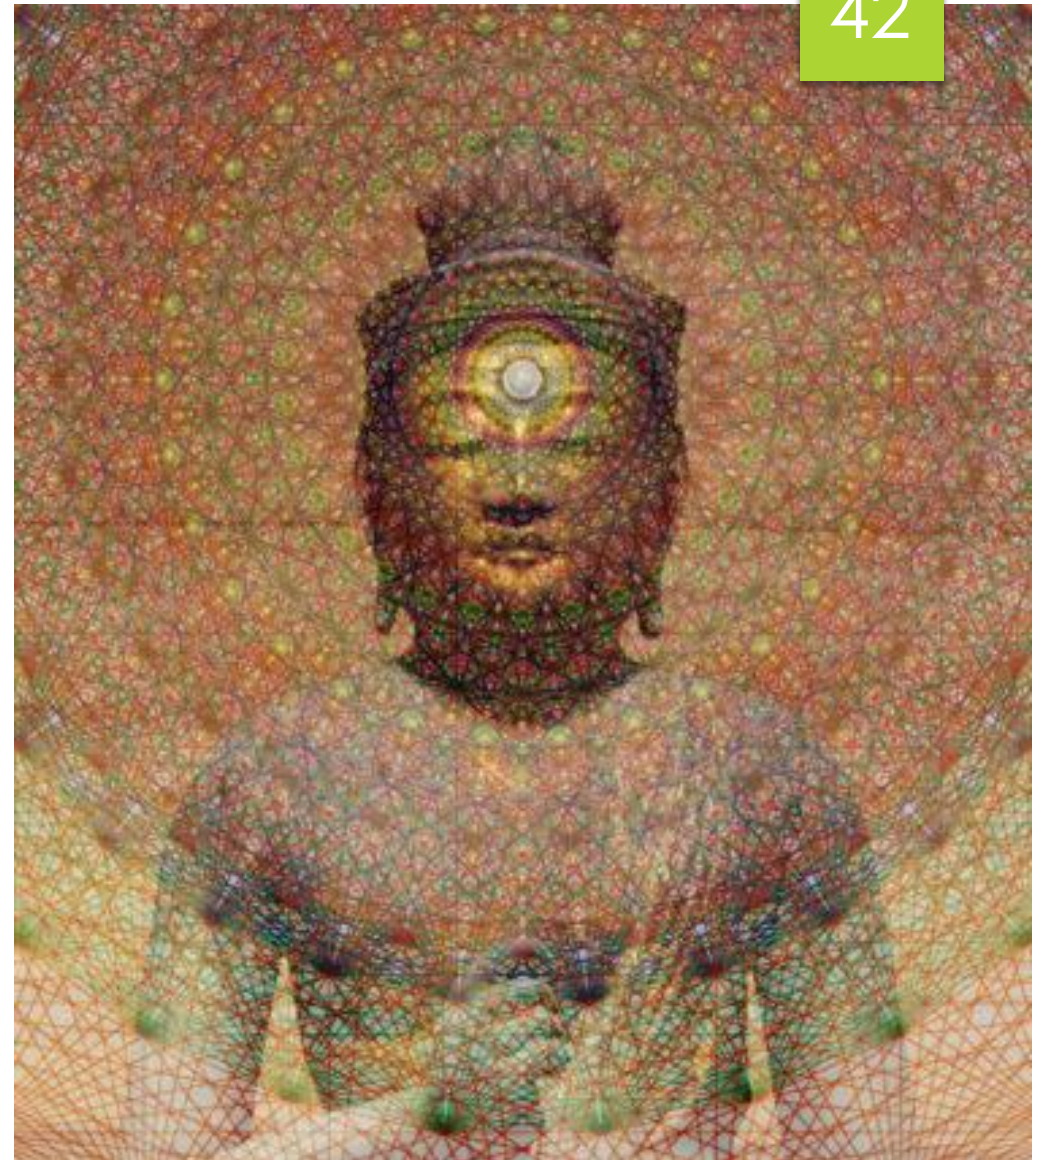

Forgiveness – is the ability to FOR Give – to give forward, to release everything in our SELF so we may become UNCONDITIONED.

# What if???

BE curious about what would change with this one simple yet powerful shift in perception.

What would happen IF ...?

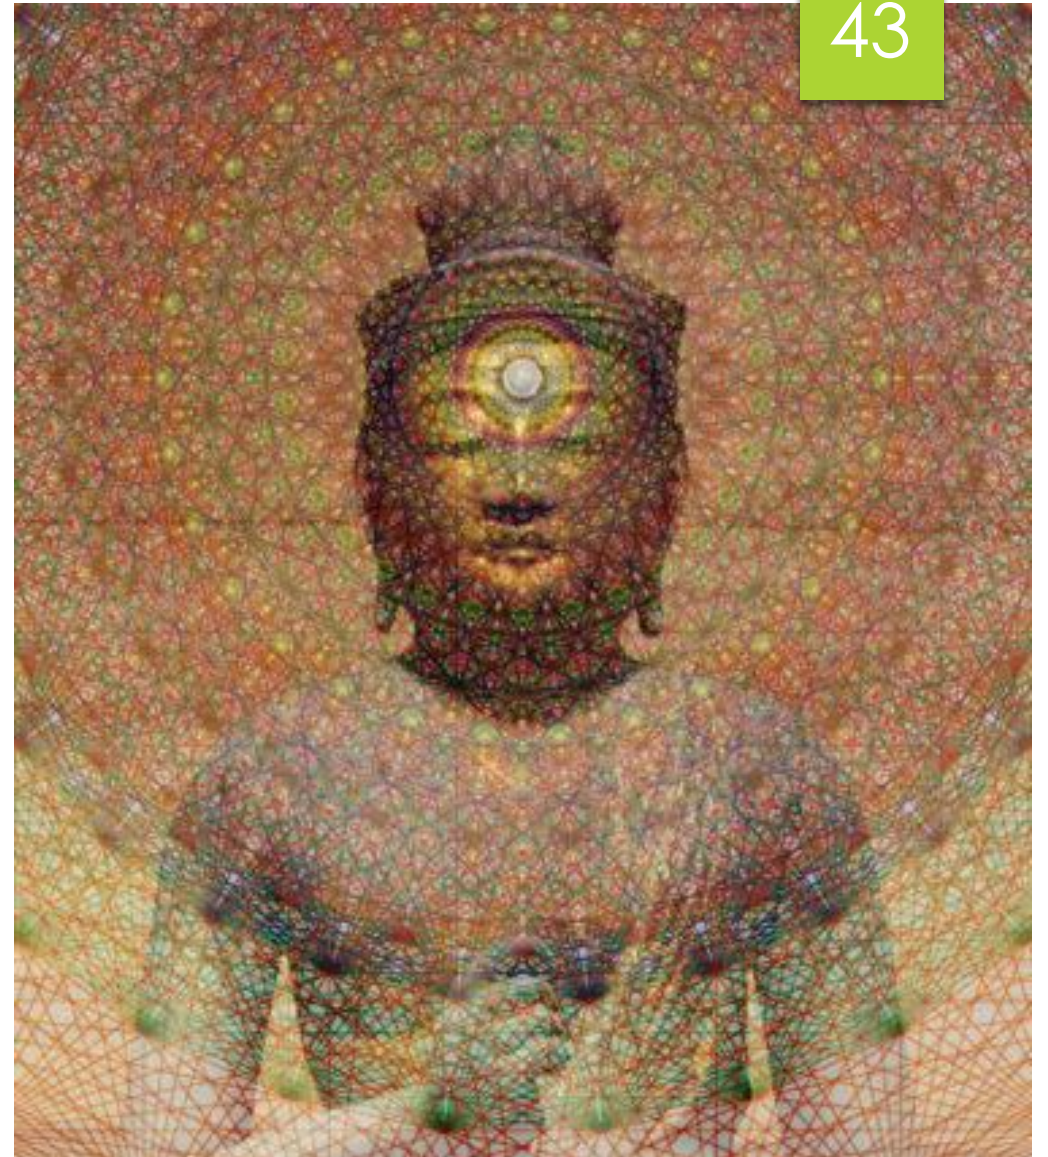

# What if???

None of the things that ever happened in your life (good, bad or indifferent) had ANY meaning to your Soul?

All of your memories about people, events, circumstances, scenarios were errors in interpretation or meaning?

All of the issues, traumas, betrayals, wounds, losses, that you believed to be TRUE/ REAL were actually illusory and so have NO power over you. (and they never did)

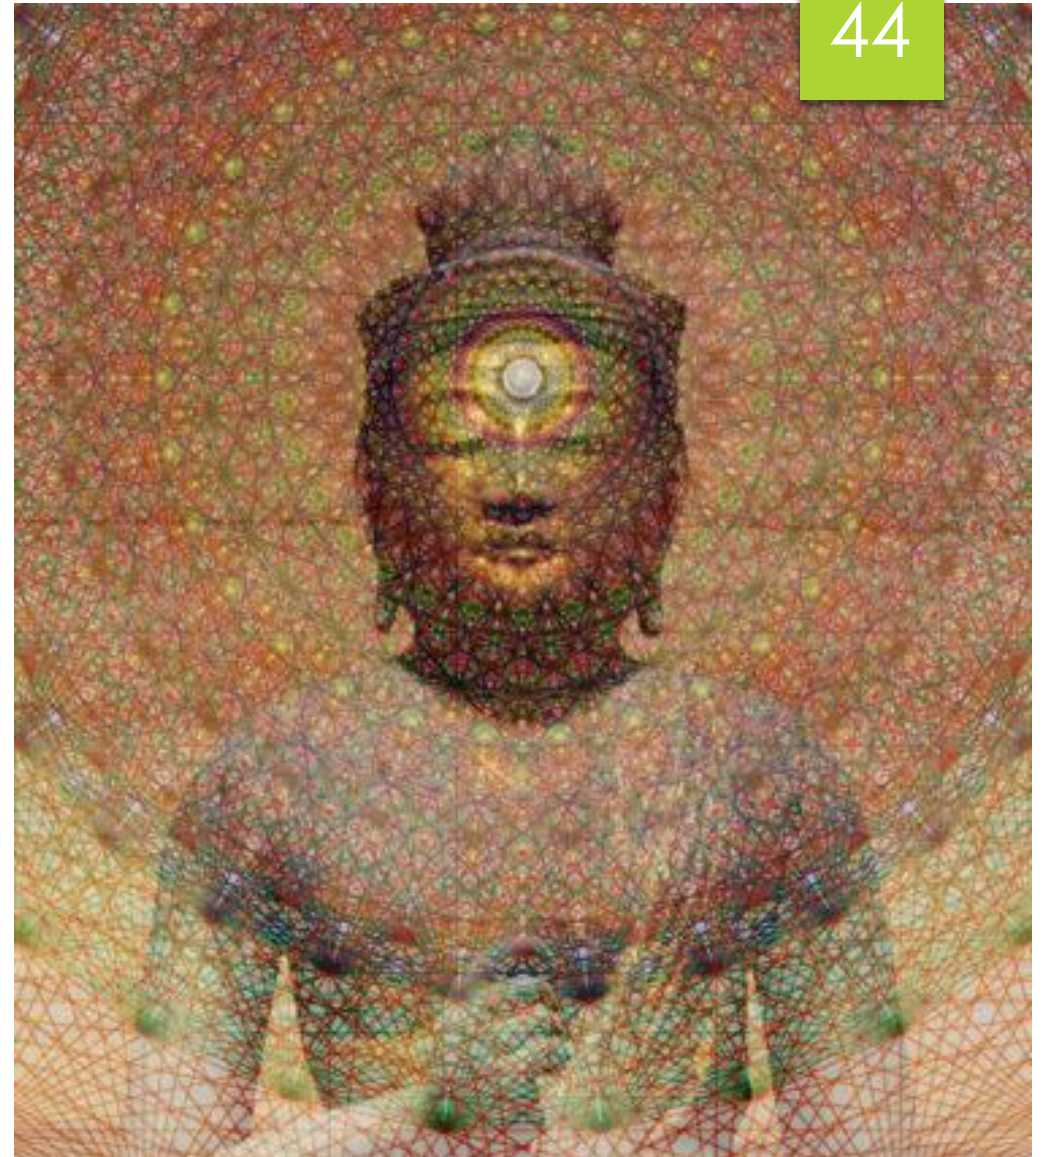

# What if???

All of your sensitivities,  
preferences, judgements,  
weaknesses or vulnerabilities  
were all unfounded?

Your entire history was a  
dream? And that you have  
remembered it wrong?

If you can say YES to these  
ideas, this is the gateway to  
true healing and The  
Quantum field

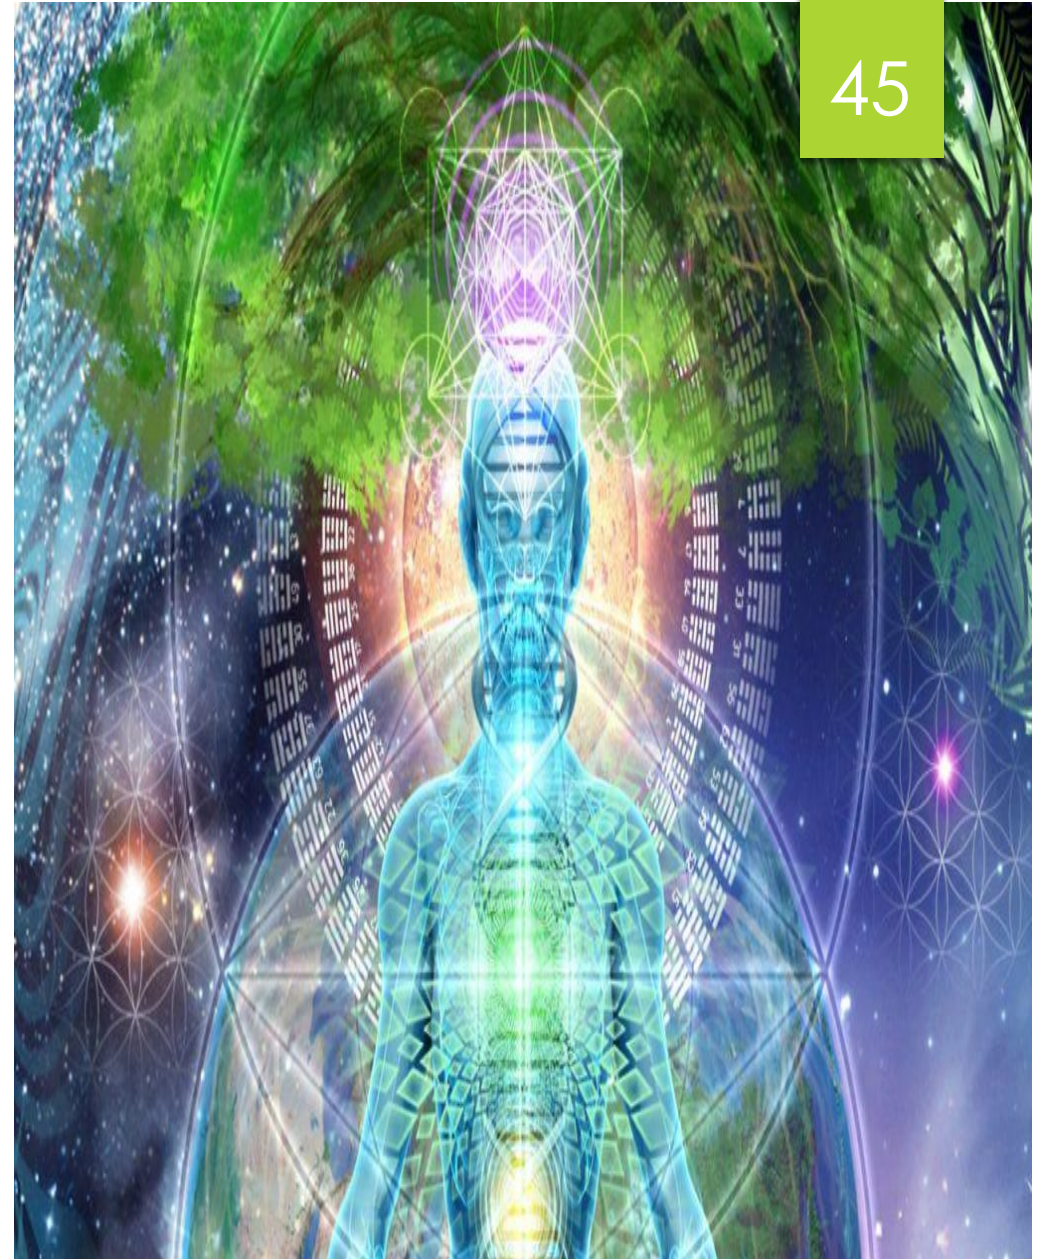

# Radical For-give-ness

When we begin to ask these questions, and if we can say YES to them, SELF (the Ego) begins to dissolve.

To let go of our attachments and conditioning, to see them as illusion makes them immediately releasable.

We can 'forgive them.' Because they never really happened to the part of us that is real....

Our Quantum Selves.

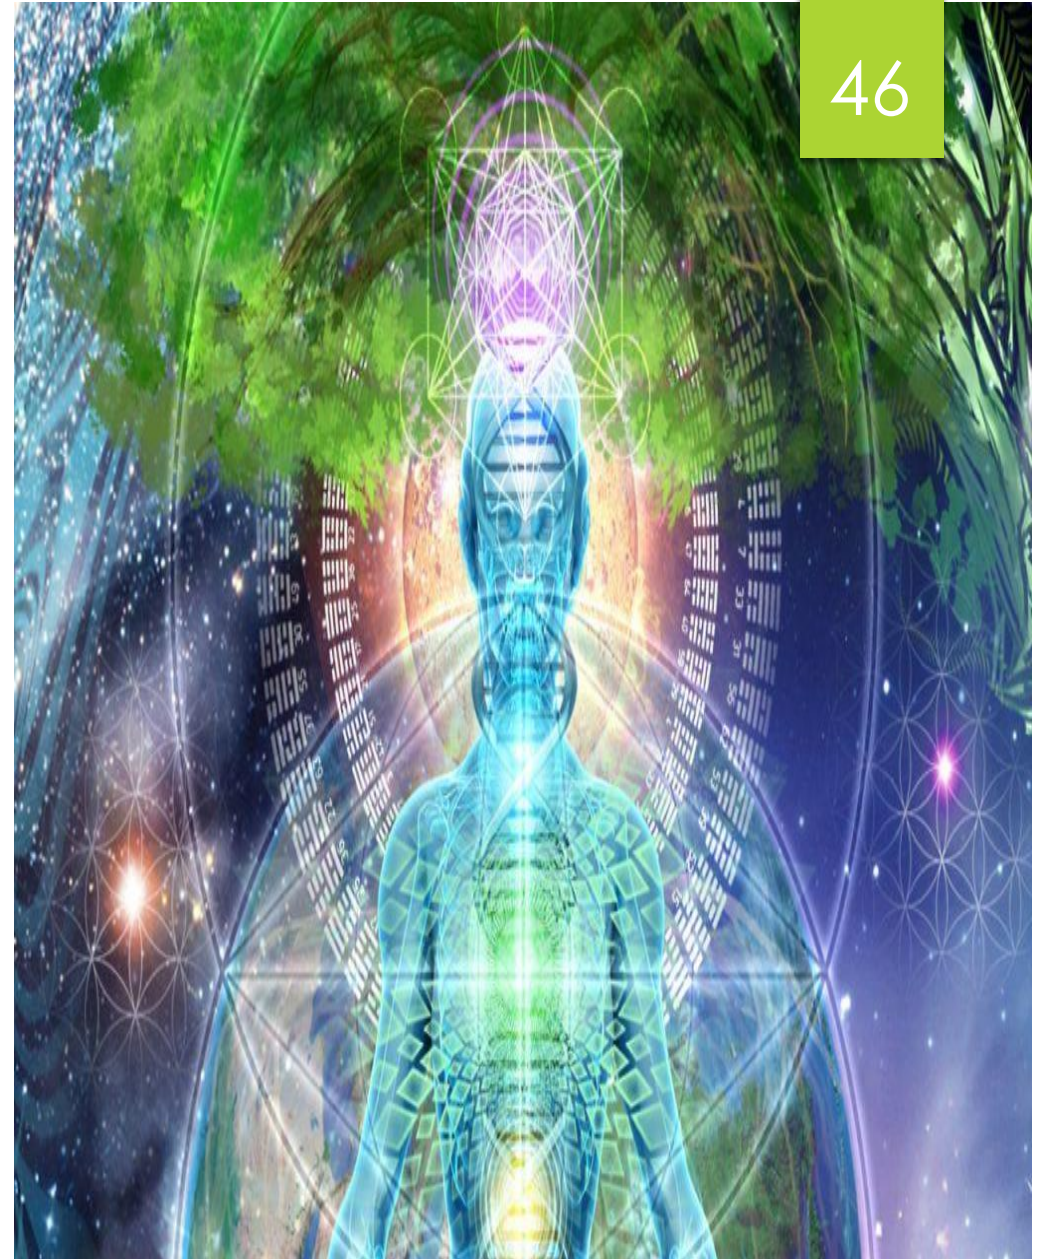

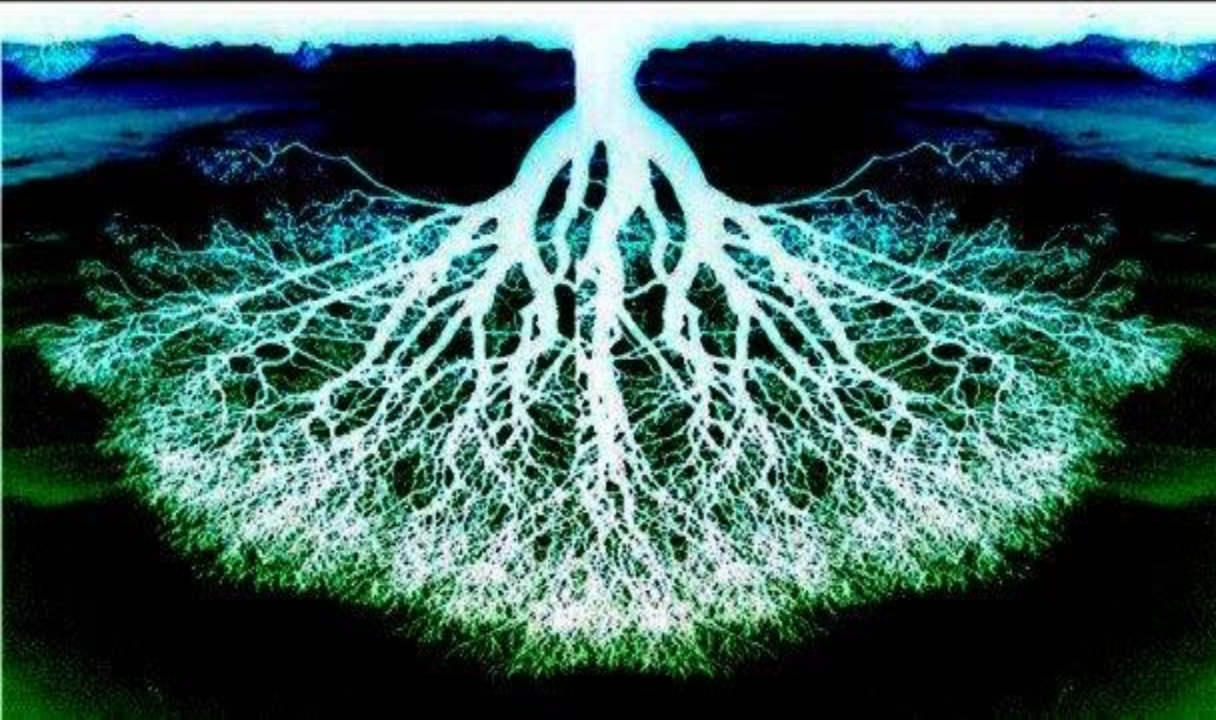

# Radical For-give-ness

The Ego (Self) says letting go of these attachments is a sacrifice and so will resist.

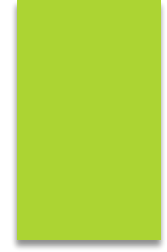

But this is true Enlightenment – and puts us in direct connection with The Quantum.

It is the definition of ‘As Above – So Below’

# QUANTUM ENGAGEMENT

***WHOLENESS RECOGNIZES  
WHOLENESS***

***Perfection recognizes  
perfection***

# Radical For-give-ness

Do you notice resistance around this letting go of conditioning? Are you feeling attached to your history, story, wounds, dramas, identities?

If so, that's okay. Continue to inquire about the illusion of things and ask yourself if you are ready to let go of the limited perceptions that shape your life?

When you are ready to say 'Yes, I'm ready to release it all' ... is when the Quantum becomes active in you...

And Miracles become possible

# Becoming Quantum Meditation – THANKS and GIVING FORWARD 49

This is a VERY simple, yet POWERFUL meditation. Practice with the THANK YOU part for at least 10 minutes for a couple days before ADDING the Giving Forward part of the meditation,

Take a few deep, relaxing breaths  
Focus on your heart space  
Continuing to breath until you feel your  
breath settle into a rhythm  
Stay relaxed but present, placing your focus  
inward  
Bring to mind the thought and feeling  
'Thank you'

# Becoming Quantum Meditation – THANKS and GIVING FORWARD 50

You don't need to be thankful TO anyone or FOR anything, just generate the word Thank you

Stay in this expression for at least 10 minutes, notice what you notice, feel what you feel.

Allow whatever emerges to emerge and be present to it.

Before you leave the meditation, open your eyes and be present to your surroundings without losing the tone you have generated.

Go about your day from this position.

# QUANTUM MEDITATION – Part 2 – GIVING FORWARD

51

## Part 2 – GIVING FORWARD

We add this second part of the meditation when we are ready to release, forgive our limits of SELF and turn them over to our HIGHER MIND to be transmuted and healed.

'I forgive everything in my past. I understand it is ALL an illusion and my Soul is and always has been perfect.

I forgive those who I believed injured me, I forgive myself for my errors in perception. And I forgive the world for its expressions.

I surrender, release and forgive all of it. I turn it over to my Higher Mind and I ask that all of it be forgiven so that I may live my True Nature.

As I ask, I know it is done. Thank you.

# QUANTUM MEDITATION – Part 2 – GIVING FORWARD

52

## Part 2 – GIVING FORWARD

Spend time in this openness and appreciation and knowing that your request has been granted.

Notice what you notice.

If emotions, sensations, feelings, visions, colors, or other energies rise to consciousness, simply allow them to do so.

Give the Quantum space to move in you, through you and around you.

You are 'making space for Spirit to move.' Allow it.

Notice what you notice throughout the day, as a response to this clearing.

# QUANTUM WORK

The homework for this module is simple:

Be curious about the idea that the world and everything in it is illusory in nature

Consider the different levels of identity you possess: Self, Soul and Source and how each of them is active within you

Ask yourself the deep question, 'Am I willing to let go of my limits of perception and my attachments to SELF?'

If not, Why?

# QUANTUM WORK

Practice your THANK YOU meditation daily, for at least 10 minutes ... notice what you notice.

After a couple days of the Thank you meditation, ADD the Giving Forward part of the Meditation and notice what you notice.

Keep a journal, make note of your dreams.

Pay attention to how you feel, what rises to the surface and what, if any anomalies, synchronicities, intuitions, or 'miraculous occurrences' happen ...

Resist nothing ...
