

An abstract visualization of quantum physics. It features a central cluster of glowing particles (blue, purple, yellow, and pink) connected by thin, intersecting lines, suggesting a complex network or atomic structure. This central cluster is flanked by two large, flowing, translucent waveforms: a blue one on the left and an orange one on the right. The background is dark with some faint, glowing points of light.

Becoming Quantum

The Metaphysics of Miracles – LEVEL II
Module 3

WITH SIMONE WRIGHT

Becoming Quantum PHASE II BECOMING POWER

MODULE #3 – BECOMING THE CREATOR: You ARE Quantum

In this very powerful module, we make a massive change in identity. We move from working WITH the Quantum mind to working AS the Quantum mind.

This important understanding awakens us to a greater creative flow that puts the ultimate creative power right in our hearts and minds – with NO separation.

In this module we'll:

Continue the transformation of Self into Soul / Source and rooting it in POWER so you create from the highest potential of THE I AM

Discover the most important creative powers that you always have access to that help you shape your *Miracle making skill*

Start to boldly apply the Metaphysical principles of consciousness: specifically POWER and PERCEPTION so you can begin generating creative, synchronistic and 'miraculous' results.

PHASE #1 – Quick REVIEW

Discovered the dynamic relationship between Self / Soul / Source

We gain greater access to Miracles when Self is 'deconditioned'

Miracles happen in consciousness FIRST

Quantum 'for-giveness' softens the boundaries between Self, Soul and Source

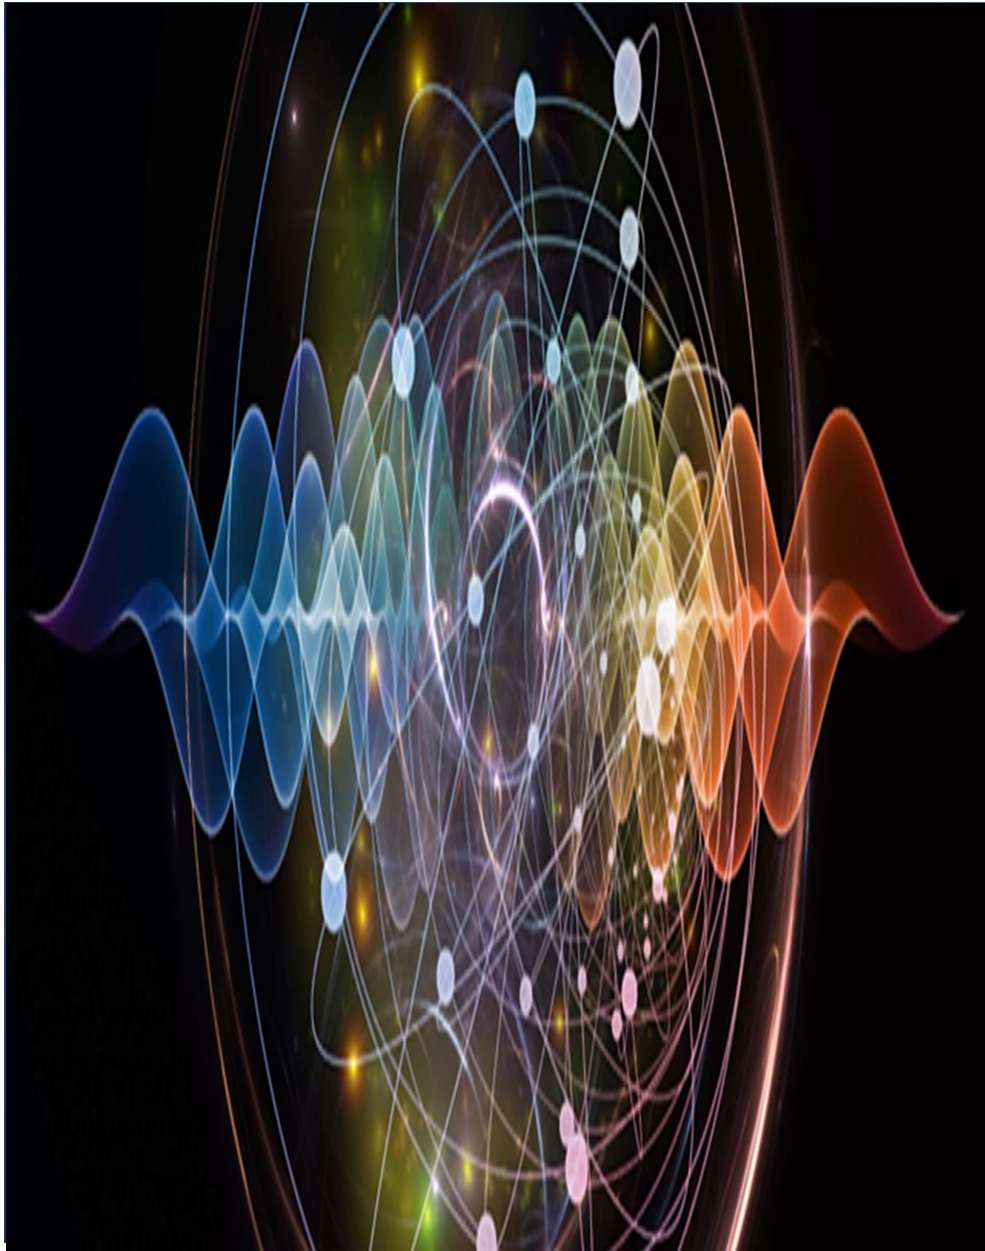

PHASE #1 – Quick REVIEW

The Metaphysical process of Miracles happens in 3 stages:

1. **MOVE INTO PHASE** with the QUANTUM
2. **RELEASE** all that is NOT QUANTUM
3. **AFFIRM** all that IS QUANTUM

I invite you to go back and review Modules #1 and #2 You WILL gain greater clarity every time you go back and revisit the lessons. This WISDOM grows stronger in you each time you USE it in real life ...

When you go back and review the first lessons, you are a different person than when you first studied ...

PHASE #2

The Metaphysics of Miracles BECOMING POWER

Power is the ability to engage
with, shape and direct energy to
create physical outcome

The Soul – The Fertile Ground for Miracle Making

10

Origins of the word 'Soul':
Hebrew – 'nephesh' / meaning
throat – the place of breath
Expresses LIFE and DESIRE
(of the Father)

Soul is rooted in Breath

First breath – Life on earth
begins

Last Breath – Life on earth
ends

This symbol of Soul represents
the integration of

Matter / Spirit
Masculine / Feminine
Positive / Negative charge
In Breath / Out Breath
Peace / Power

It is our individual aspect of
Source

The Soul – The Fertile Ground for Miracle Making

12

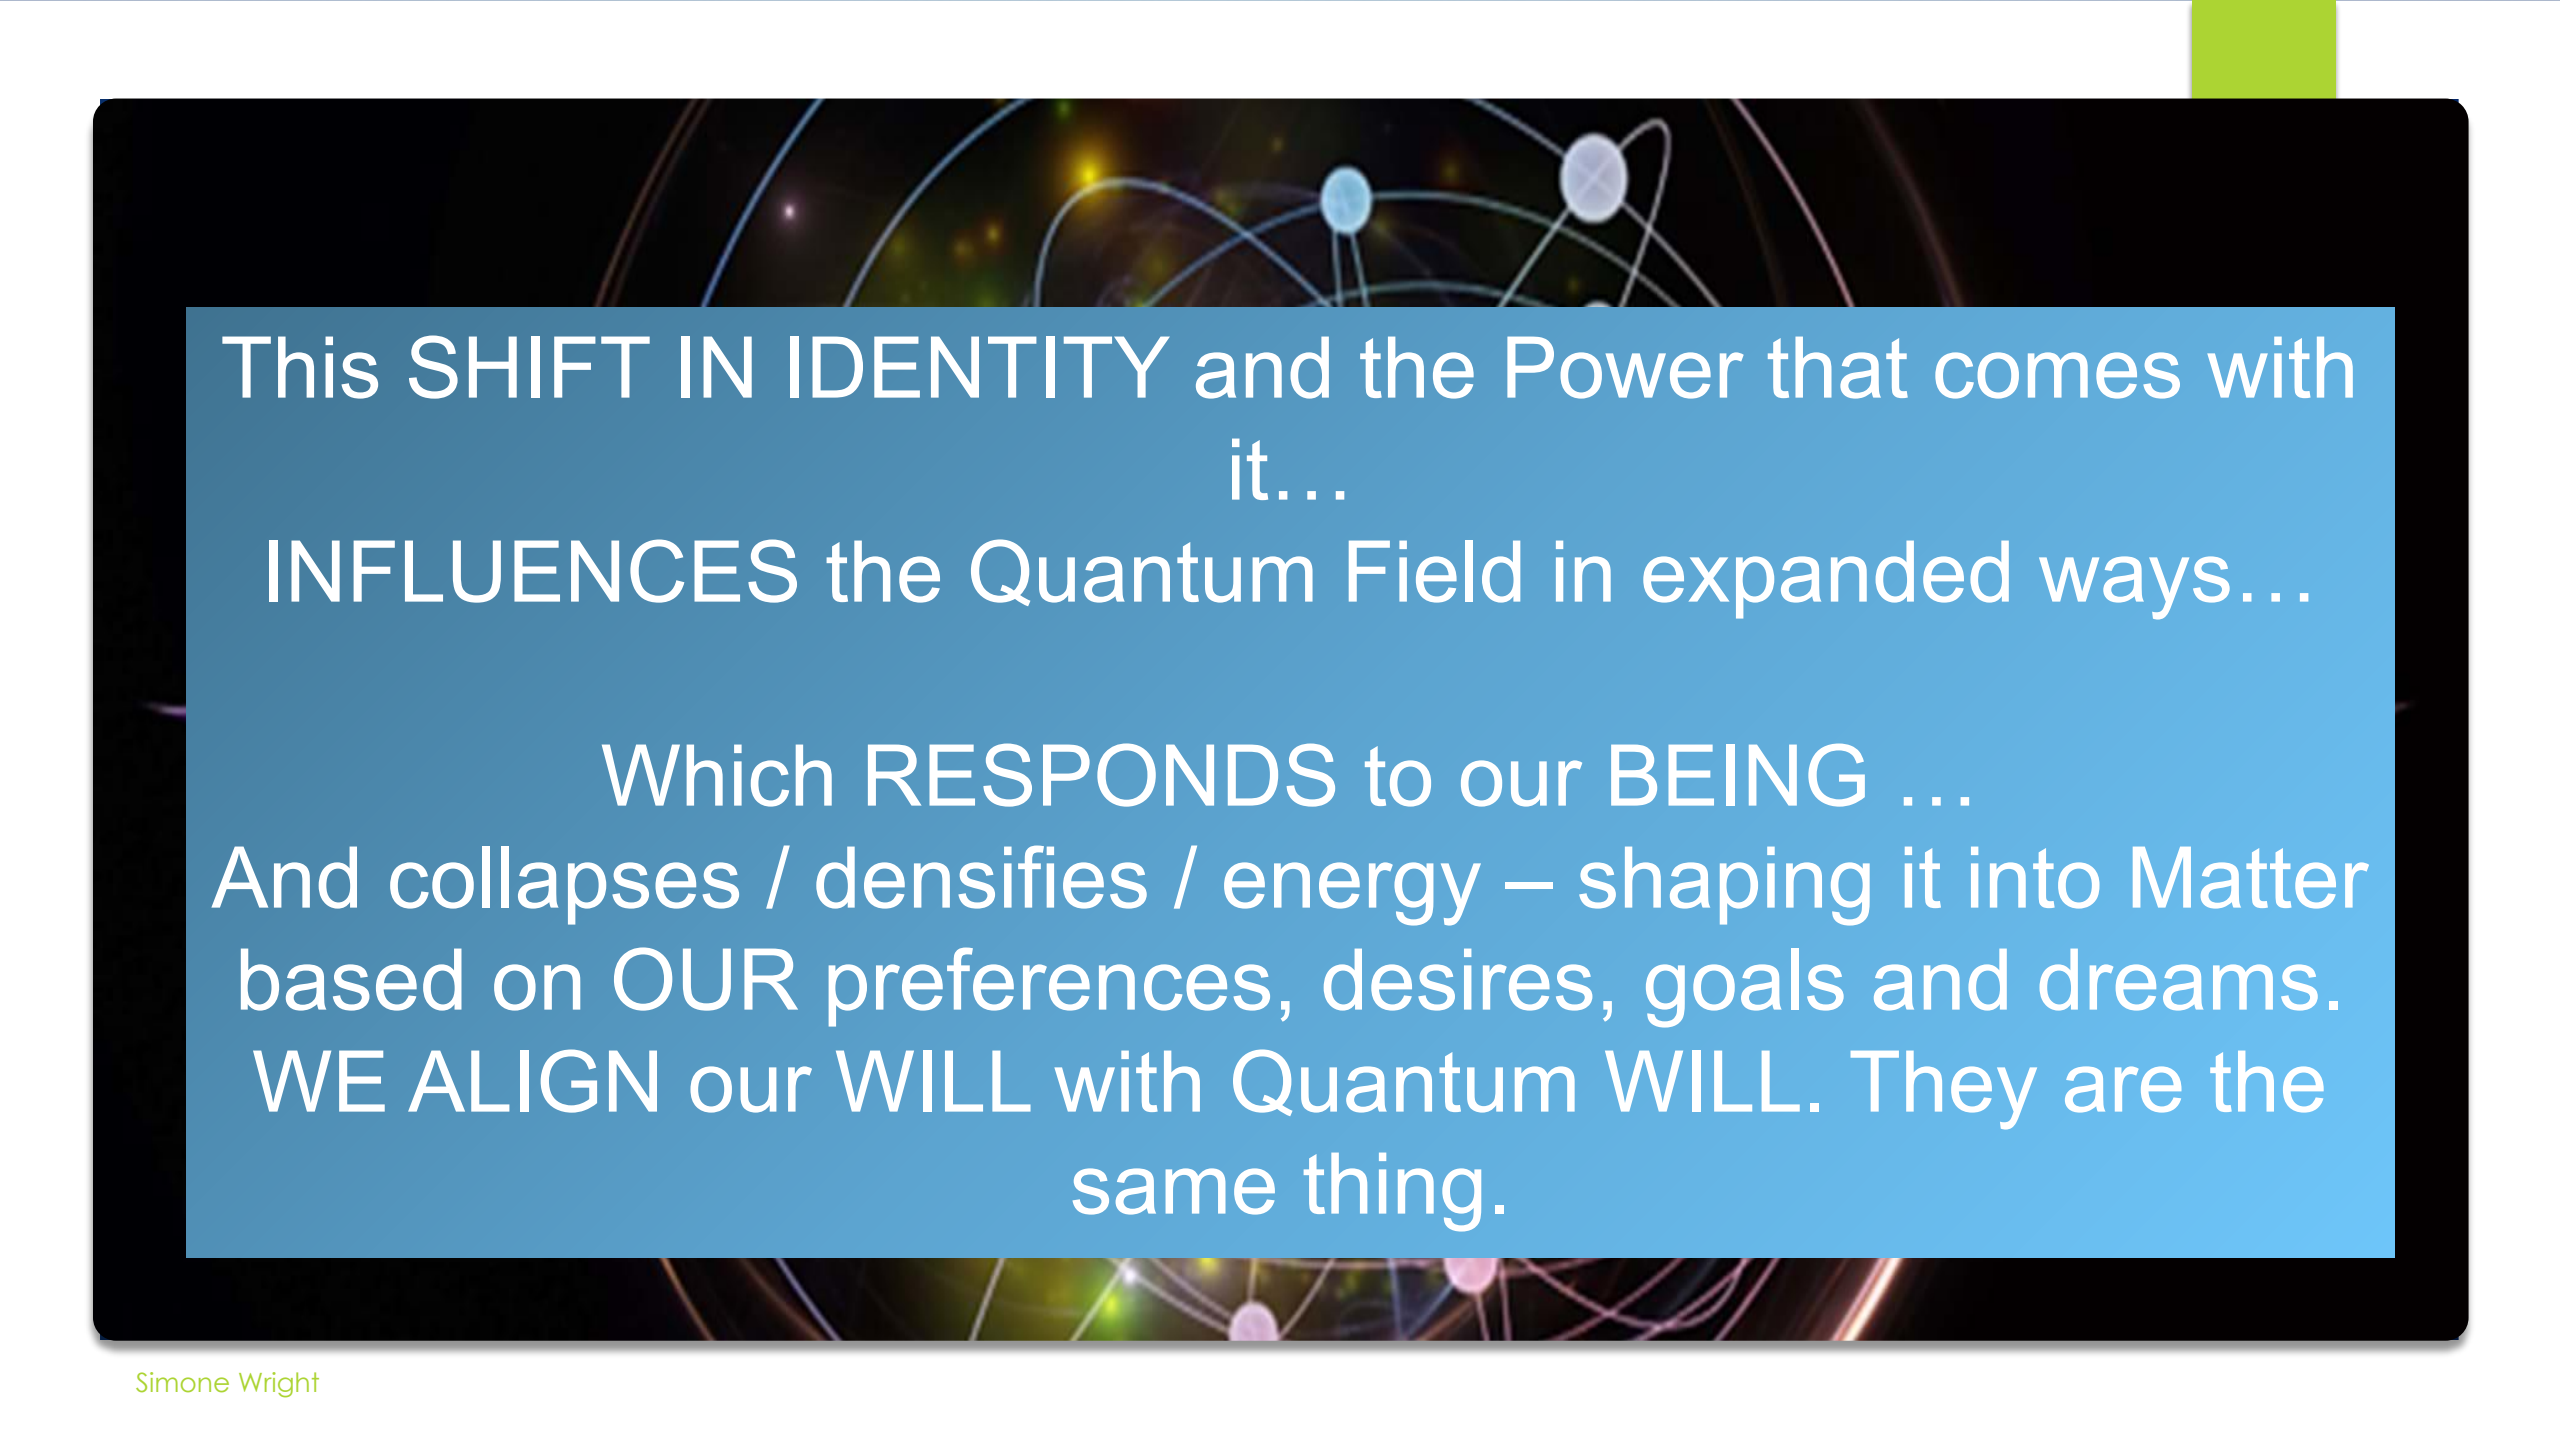

When we start creating from here

...

We move from creating from the
limited Power of Self –
To the limitless Power of Soul... as
our individual aspect of Source ...

The 'I AM' ...

Creating AS Source, without losing
our individuality

This SHIFT IN IDENTITY and the Power that comes with
it...

INFLUENCES the Quantum Field in expanded ways...

Which RESPONDS to our BEING ...

And collapses / densifies / energy – shaping it into Matter
based on OUR preferences, desires, goals and dreams.

WE ALIGN our WILL with Quantum WILL. They are the
same thing.

The Quantum Mind Source

God/ Divine/ The Father
Everything / Nothing
Timeless/ Spaceless / Infinite
Holds everything physical together
SHAPES physical matter

IT IS EVERYWHERE!!

Moving to working WITH SPIRIT to working AS Spirit ...

15

If it is everywhere ...

There is nowhere that it ISN'T...

That means it is in / is YOU ...

If it is YOU, you have access to it's creative / causative
power

You don't have to CONNECT with it, you simply have to
Remember you ARE it! Make this your KNOWING.

Become Curious about what this means for YOU as a Creator...

Your thoughts, imaginings,
energies, emotions and ideas are
constantly creating ...

When this identity becomes
embodied, your creative potential
becomes specific, directable,
deliberate and intentional

The Quantum is Neutral ...

'The Father is no respecter of persons ...

Whatever you express, at whatever level of consciousness, (identity) you WILL create
The 'Force' can be used to create Good or
Evil ...

The more *AWARE* you are about *YOUR*
position and how the Quantum responds to
your *BEING* ... the more *POWER* you have
as a creator

The POWER and PERSPECTIVE of the I AM

We see the world as WE are...
We Experience reality as WE Experience
ourselves ...
Self creates one reality
Soul as The I AM creates another one ...

IDENTITY AND PERCEPTION

If you claimed your Identity as
the I AM ... what would that help
you PERCEIVE?

What would it help you ALLOW?

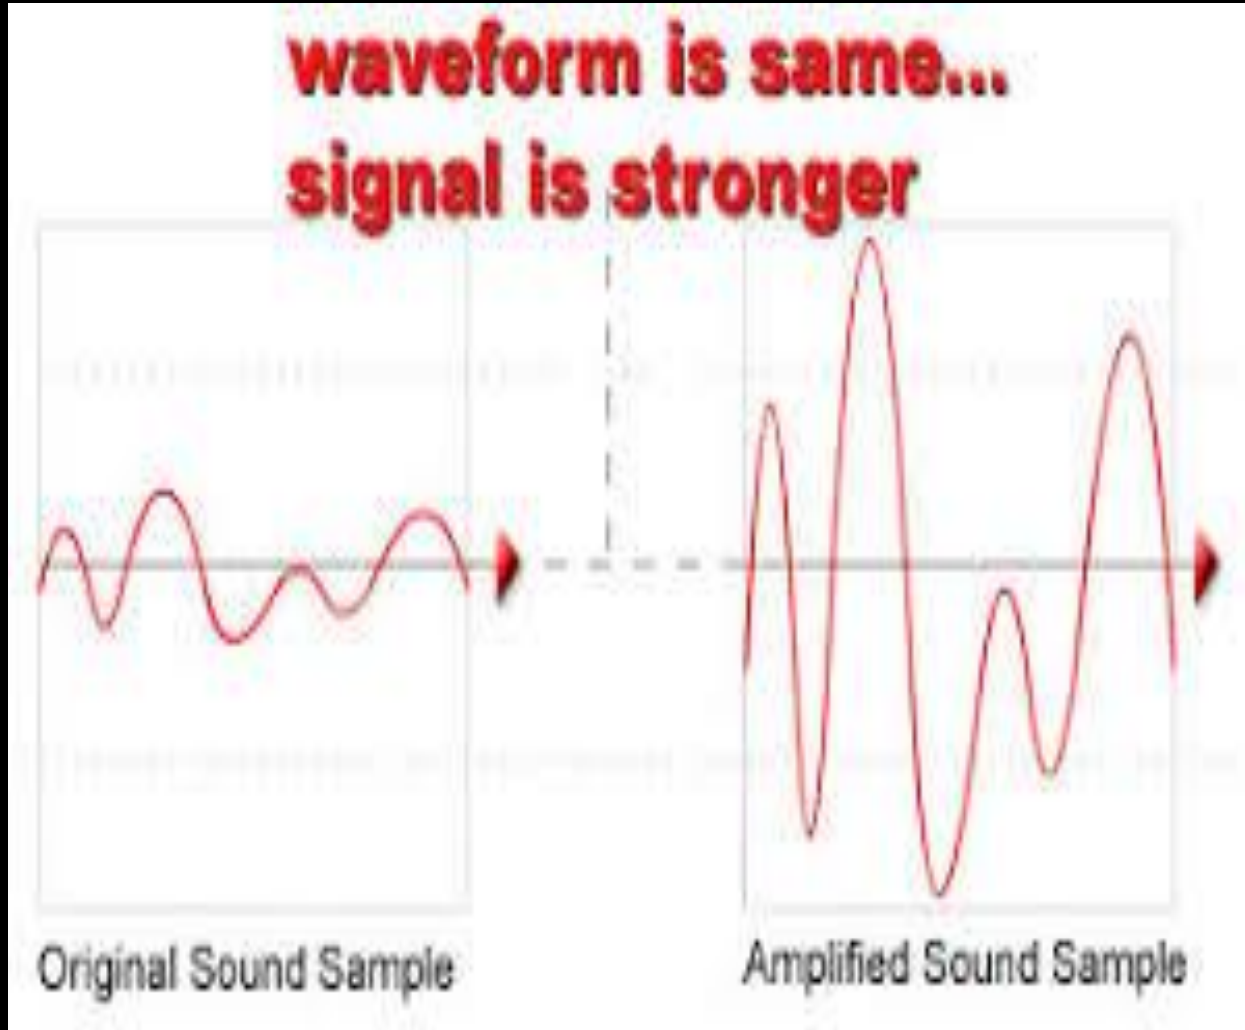

What would it help you
RELEASE?

What would it insist you
FORGIVE?

What would it generate as an
INEVITABILITY?

Write these things down.

What do you WANT to Create? As the 'I AM' ... what do you Imagine?

What ideas, big or small do you want to see in your reality?

What outcomes do you want to generate?

What would it feel like to have those realities already available?

Who would you be being, what experiences would be a part of your life when this outcome is generated?

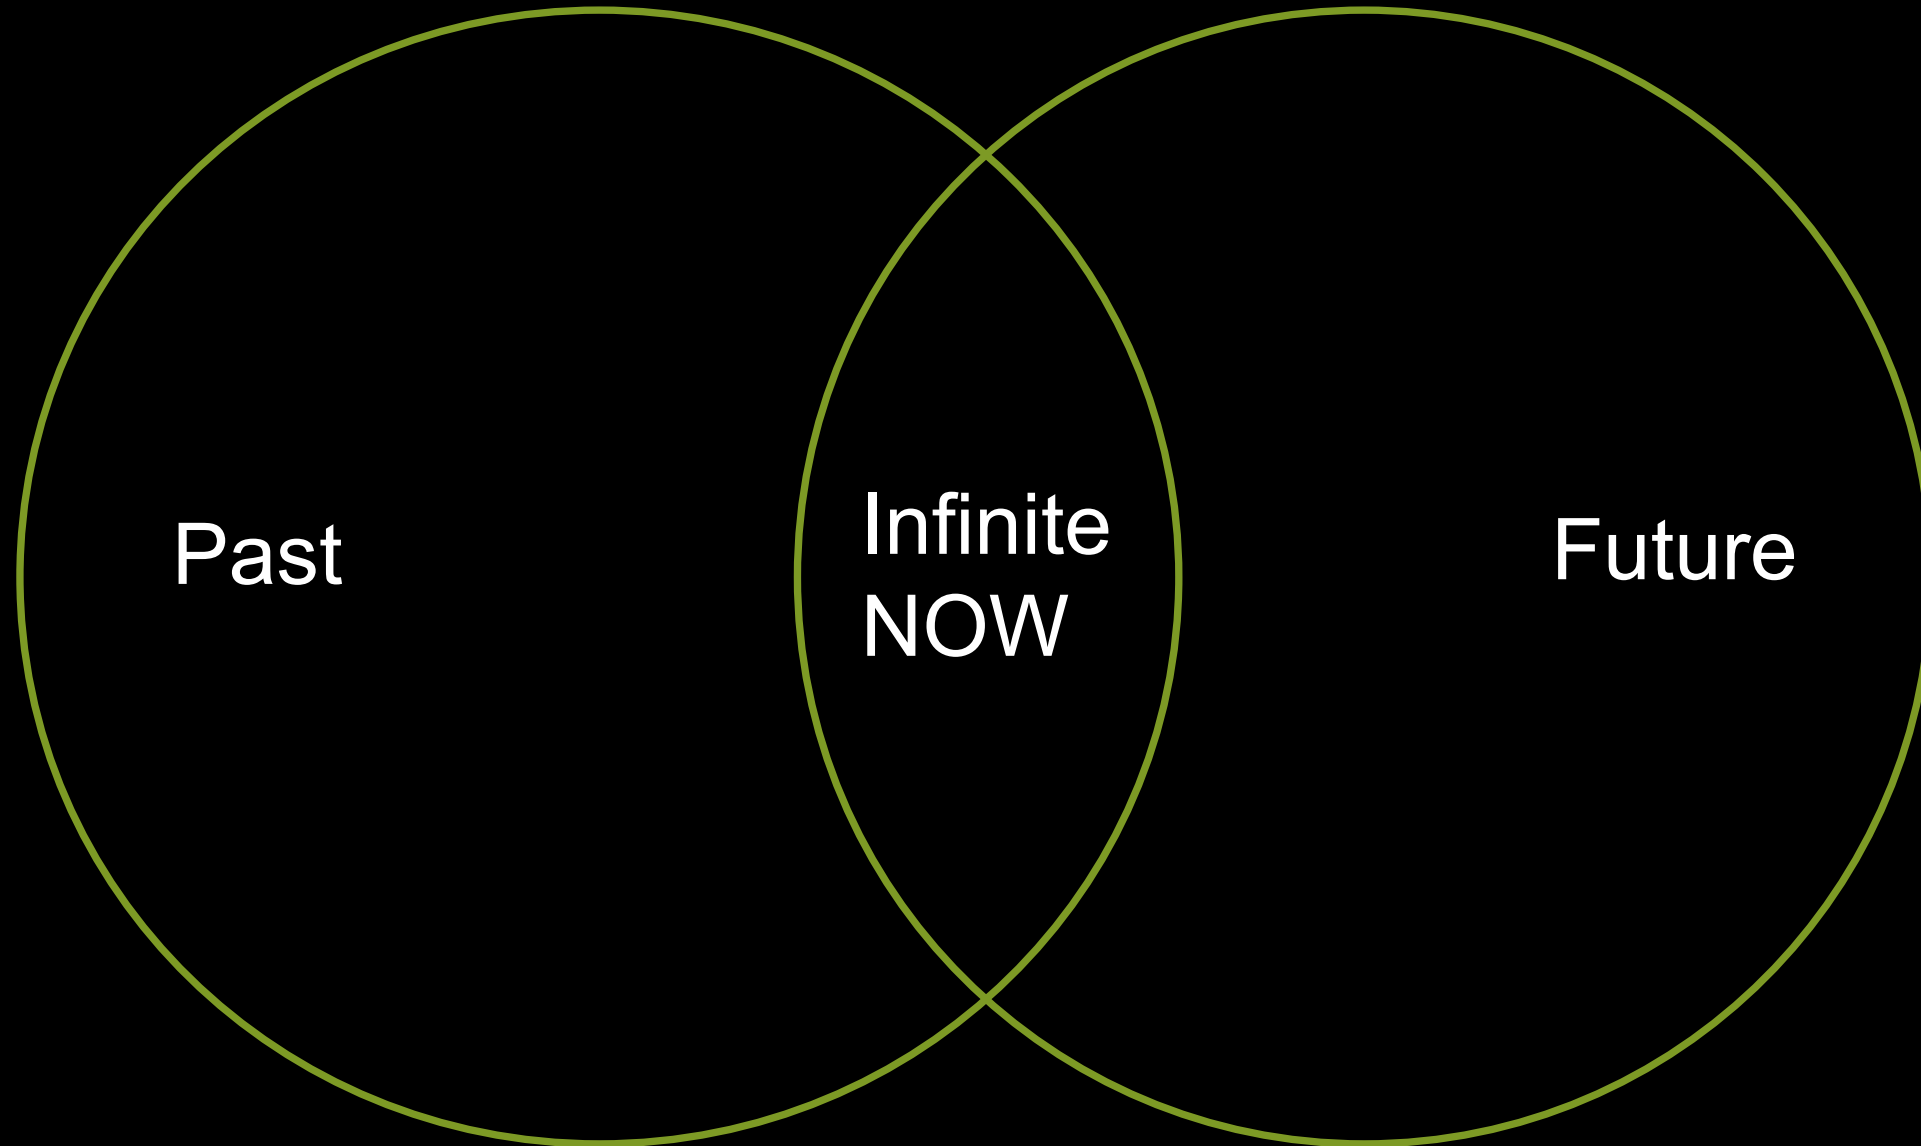

What would no longer exist?

What feelings, sensings, emotions and attitudes accompany this reality?

Principle of Metaphysics:
Matter and Spirit are the same thing, they
only differ in degree.

Fertile Soil of Miracle Making

32

You INFUSE this space with your Imagination

RAW MATERIALS OF MIRACLE MAKING

33

A close-up photograph of a human hand, palm up, holding a vibrant, multi-colored galaxy. The galaxy is composed of numerous bright stars and nebulae in shades of blue, purple, orange, and yellow, creating a sense of cosmic wonder and energy. The background is dark, making the glowing galaxy stand out prominently.

Identity and Energetic Position
Imagination and Inspiration
Expectation and Desire
Belief and Attitude
Thought and Feeling
Decisions and Choices
Attention, Action and Allowance
Trust and Gratitude

RAW MATERIALS OF MIRACLE MAKING

34

What are the 'raw materials' of your Vision?

Go through the previous list and become as specific as possible, energetically, mentally, emotionally and physically.

Embody the I AM nature of your Vision completed ... BE it.

ACCELERATING FLOW

35

#1. Resist NOTHING

If you are working on generating a Miracle to transform a current situation (whatever it is) – do not resist it. Be in the current moment as though it is something you have chosen, this settles you into the center point of Peace / Power – generates coherence, expands Aperture, alters Perception, places you in the I AM position.

ACCELERATING FLOW

36

#2. Practice 'The Golden Rule'

'Do unto others as you would have others do unto you'.

Because we ALL exist in the same energetic field (there is no separation between you and ANYONE), practice generating and sending care, imaginings for highest good, and well being to everyone you know. And especially those you may be holding in a position of 'non-forgiveness' or judgement.

ACCELERATING FLOW

37

When you Become Quantum, these principles become CRUCIAL ...

We begin to recognize that we are energetically engaged with **EVERYTHING** and so gladly start to become meticulously **RESPONSIBLE** for our energetic Actions.

This awareness catalyzes an **AUTHENTIC** love, respect, compassion, understanding and wisdom ... that is the foundation of Miracle making.

CLAIMING YOUR DIVINE IDENTITY

38

What does this energetic position stimulate in you?
What does it invite you to consider?
How does it alter your past?
How does it influence your future?
What does it reveal about your present moment?
How does it change things?
What does it invite you to create?
Spend time with these questions.

CLAIMING YOUR DIVINE IDENTITY

39

What declarations come with this infinite identity?

What 'I AM' statements feel more true/ real / possible for you now?

Commit to embodying them, in every moment.

Converting Energy into Matter.

REMEMBER THE PRINCIPLE OF QUANTUM
ENGAGEMENT:

WHOLENESS RECOGNIZES WHOLENESS

AS ABOVE SO BELOW

COHERENCE RECOGNIZES COHERENCE

POWER RECOGNIZES POWER

ABUNDANCE RECOGNIZES ABUNDANCE

QUANTUM PREPARATION

We will be doing a Quantum I AM Power Prayer in the Coaching Call and the meditation will be provided in the classroom. But as with all Quantum work, I invite you to do the considerations first, to prepare for the energetic work to come ...

QUANTUM PREPARATION

Go about your day
Notice what you notice

With these considerations of your direct relationship with the Quantum and your now expanding identity as the 'I AM' creative power, notice how your energy, attitude, relationships, outcomes and experiences shift based on this new perspective.

As always, the shifts will happen internally first ...

QUANTUM WORK

Continue to affirm the knowledge that 'if the Quantum is everywhere' ... then you are Quantum and have access to its power.

Continue to Shape your I AM declaration list.

Become very clear about your Raw Materials list. Fill that list out completely so you know precisely what energetics you need to master in order to shape your Miracle.

Practice playing with Aperture while out and about during the day. Expanding and Contracting your field of energy. Notice what you notice

QUANTUM WORK

Practice –

#1. Resisting Nothing

#2. The Golden Rule

Keep a journal, make note of your dreams.

Pay attention to how you feel, what rises to the surface and what, if any anomalies, synchronicities, intuitions, or 'miraculous occurrences' happen ...
