

A complex visualization of quantum physics. It features a central cluster of glowing particles (blue, purple, pink, and yellow) connected by a dense network of thin, intersecting lines. This central structure is surrounded by several large, translucent, wavy bands in shades of blue, purple, and orange, resembling wave functions or probability distributions. The background is dark with some faint, glowing points of light.

Becoming Quantum

The Metaphysics of Miracles – LEVEL II
Module 4

WITH SIMONE WRIGHT

Becoming Quantum PHASE II BECOMING POWER

MODULE #4 – Your DIVINE STATE : Accessing Infinite Potential

Our reality is a dynamic reflection of our consistent energetic STATES. It reflects who we are BEING.

Discovering the patterns of mind and energy that will elegantly shape our future becomes a powerful key to altering our outcomes. This module helps you move beyond the limits of time (the past especially) by refining your energetic states and aligning them with your chosen future.

Becoming Quantum

PHASE II

BECOMING POWER

Power is amplified as we gain greater mastery over our energetic, mental, emotional and physical states.

As we are able to intentionally and deliberately integrate, shift and neutralize our states (especially those conditioned in SELF), our access to the Quantum, through Soul/Source becomes more efficient, elegant and expansive.

Quick Review: MODULE #4 – BECOMING THE CREATOR: You ARE Quantum

We began the shift from working WITH Spirit to working AS Spirit as an amplifier of POWER

Discovered the INTEGRATED nature of Soul as the conduit of Source (+/-)

Discovered the flexibility of Aperture and our ability to control it

Discovered the difference between Coherence, Amplitude and Frequency

Discovered how Identity shapes Perception

Discovered the POWER position lies in the middle of Polarities

Discovered the RAW Materials of Miracle making

Discovered 2 ways to Amplify FLOW

Guided Meditation of STILLNESS in the Coaching Call

**Continue this work. Continue to practice with the meditation,

PHASE #2

Reminder:

BECOMING POWER

Power is the ability to engage with, shape and direct energy to create physical outcome. (using STATES)

MODULE #4 – Your DIVINE STATE : Accessing Infinite Potential

Power is amplified, refined, and becomes directable when we learn how to MANAGE our energetic STATES.

Definition of STATE: the particular condition that someone or something is in at a specific time:

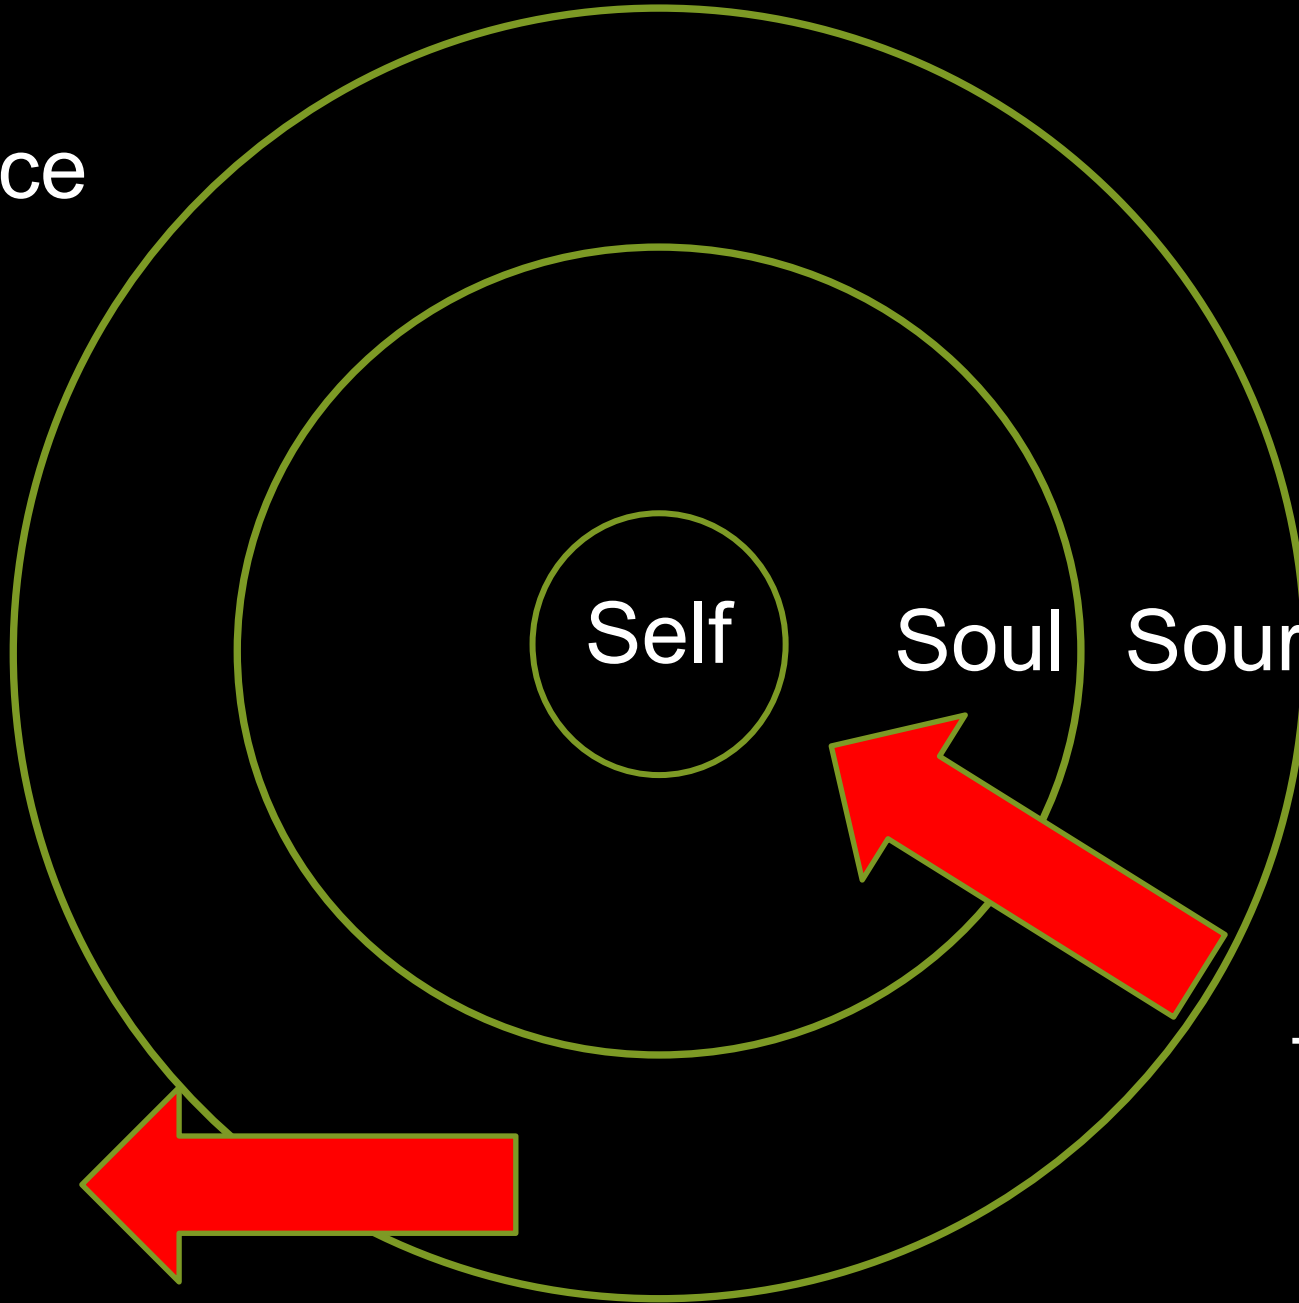

Our focus is: to be certain our 'state' is aligned / harmonious / in phase / coherent with The Quantum and our goal as consistently as possible

Source

Soul

Self

Self

Soul

13

You have been creating since
you were a child ...

Nurturing and replanting seeds of
worthiness/ unworthiness, I'm good, I'm
bad

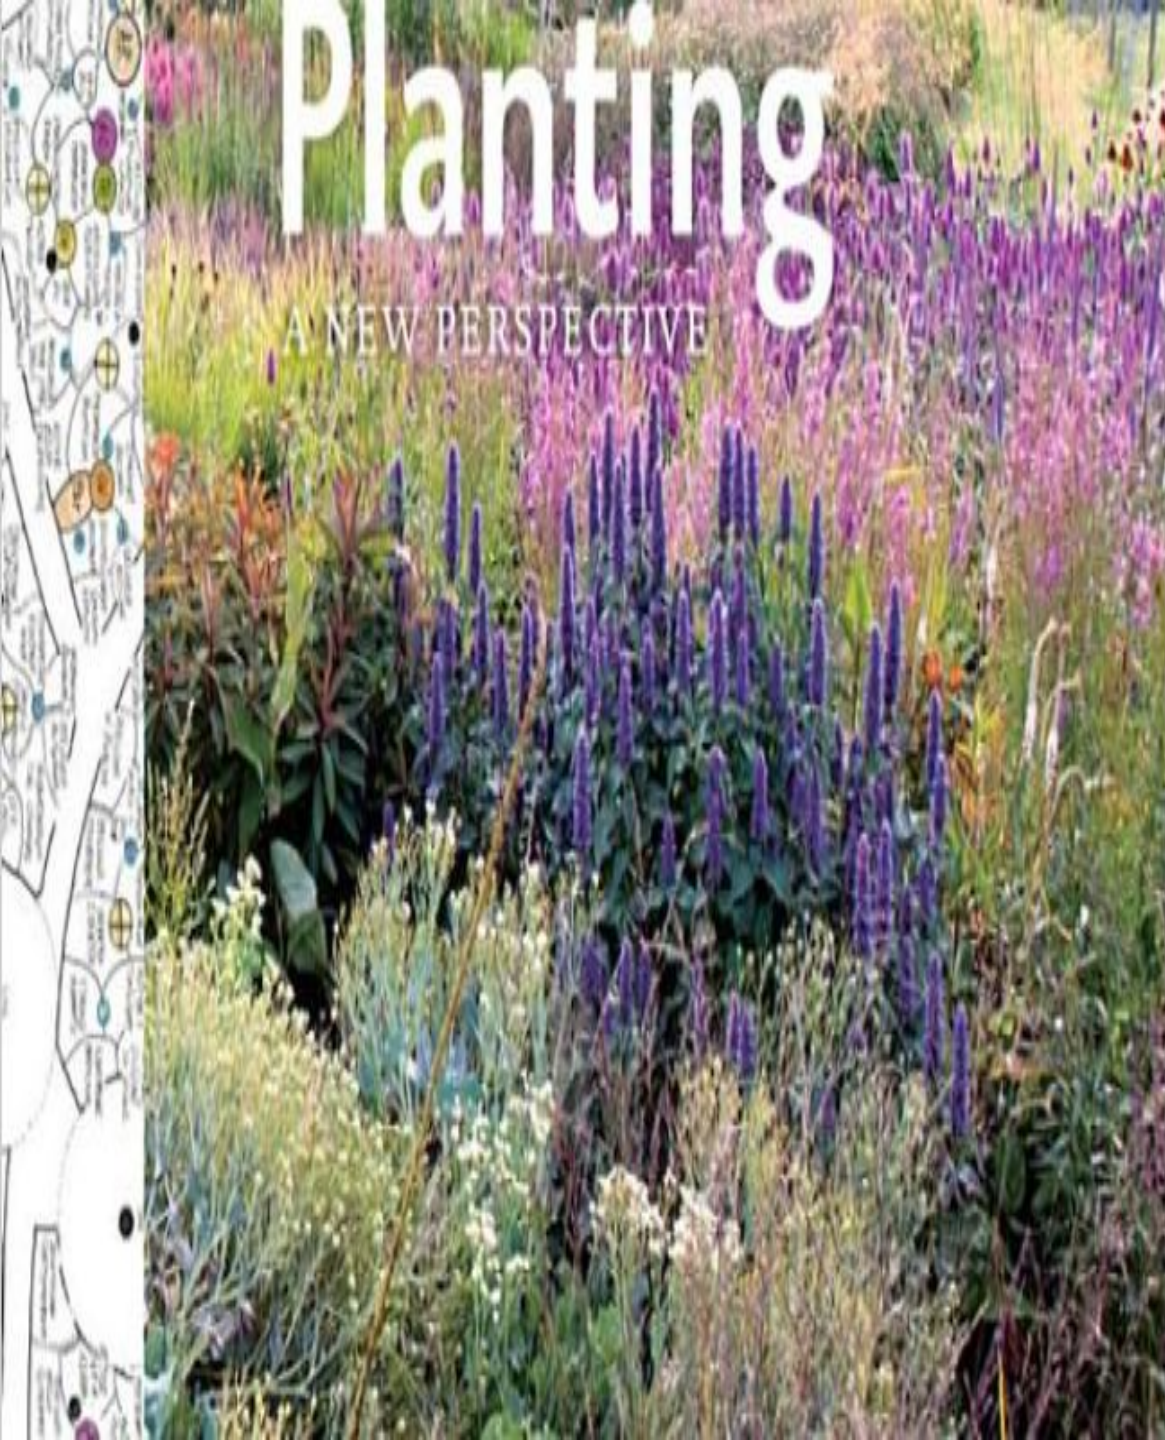

The meaning you give these seeds and
your acceptance of them (due to your
lack of consciousness) perpetuates their
ability to shape your reality

As you Become Quantum you begin to recognize the intentionality and deliberate nature of what you have been unconsciously planting ...

And you become aware of the STATES that accompany each energetic choice, you can change them.

This generates POWER.

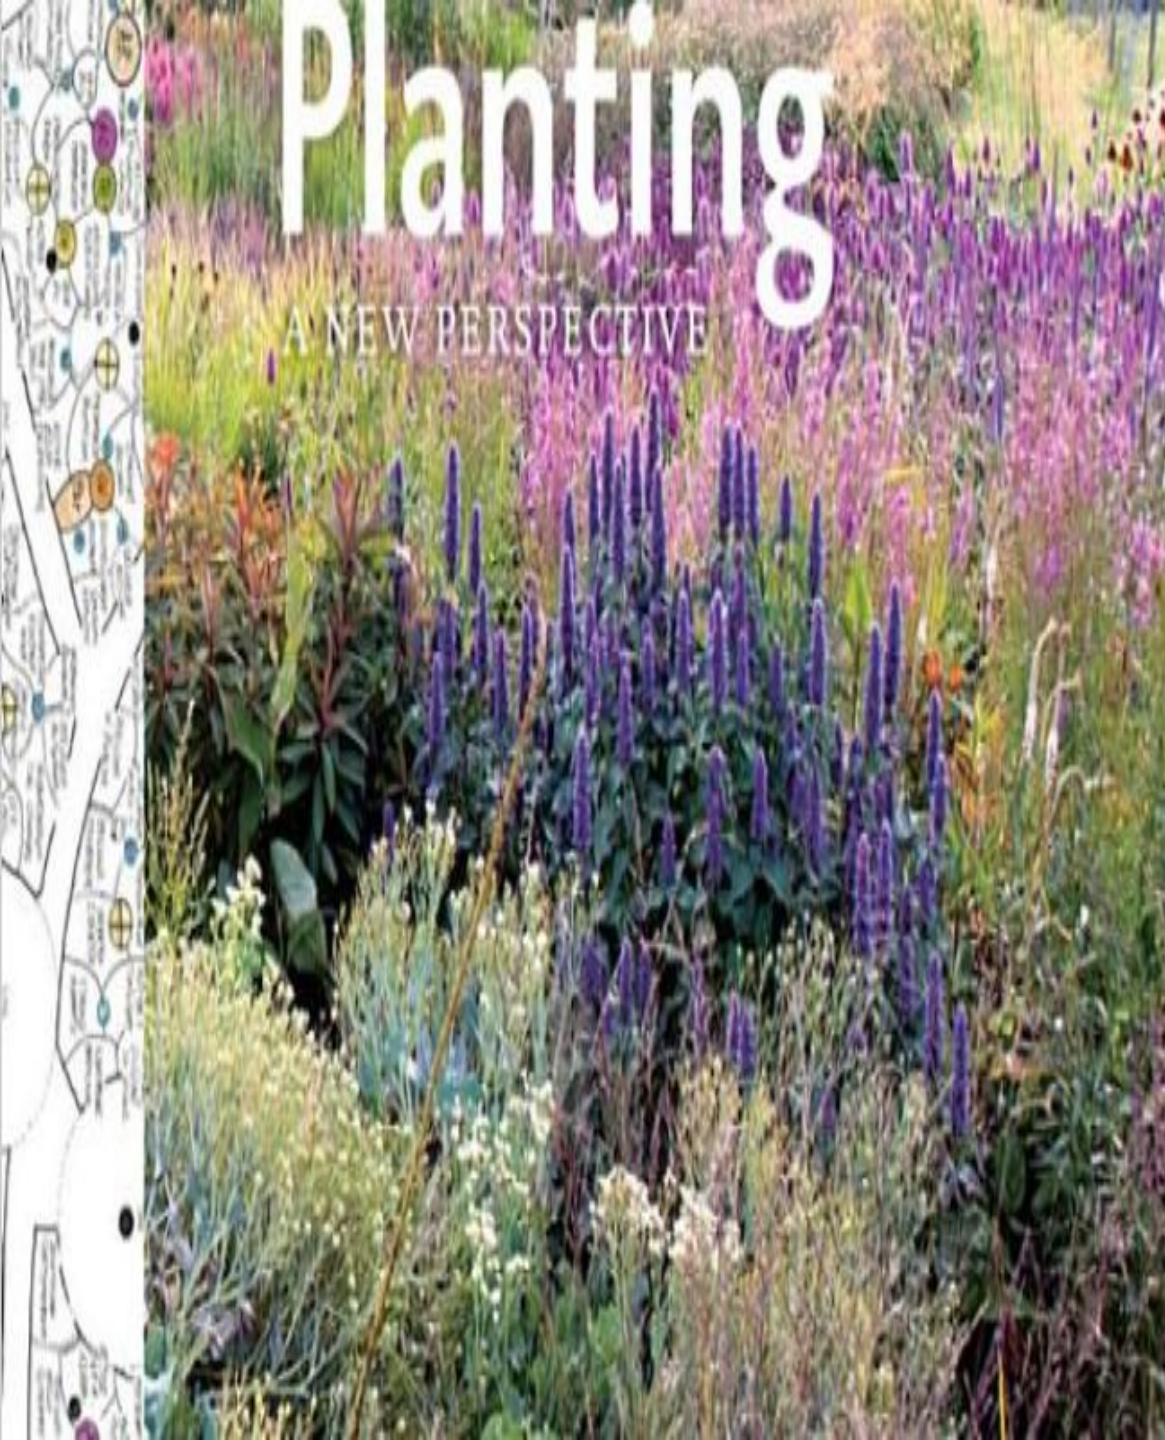

EVERYTHING IS

Poor / Rich
Sick / Healthy
Known / Unknown

All it needs to be physicalized is for you to
occupy it ...
Consciously / Unconsciously

Merge with the STATE
Move INTO PHASE

Become a companion to these states,
materialize their energetic code ...

Planting

A NEW PERSPECTIVE

EVERYTHING IS

What STATES of
Energy
Mind
Feeling
Body

Defines your QUANTUM GOAL?

Identify them. Become Intimate with
them. Practice them.

PLANT THEM in the Quantum Field.
YOU ARE that Field.

TWO STATES AT ONE TIME

17

Wheat

Tares

“The kingdom of heaven is like a man who sowed good seed in his field; but while men slept, his enemy came and sowed tares among the wheat and went his way.

But when the grain had sprouted and produced a crop, then the tares also appeared. So the servants of the owner came and said to him, ‘Sir, did you not sow good seed in your field? How then does it have tares?’ He said to them, ‘An enemy has done this.’ ...

TWO STATES AT ONE TIME

18

Wheat

Tares

The servants said to him, 'Do you want us then to go and gather them up?' But he said, 'No, lest while you gather up the tares you also uproot the wheat with them.'

Let both grow together until the harvest, and at the time of harvest I will say to the reapers, "First gather together the tares and bind them in bundles to burn them but gather the wheat into my barn."

TWO STATES AT ONE TIME

19

Wheat

Tares

For a time, your OLD reality and your NEW realities will exist 'in the same field'.

Do NOT freak out about 'the tares', let them be there, yet continue to nurture the new IDEAL.

When the time is right, you'll be able to simply weed out and discard the OLD, and be able to collect and reap the fruits of your NEW reality ... and bring them home.

What STATE do you dwell in?

Your objective. What do you want?
What would it be like to already exist in
that state?

Notice what you are reactive to in the
3D. What States do you consistently
occupy. These patterns are
programmed before you are conscious
of them and must be de-conditioned.

Identify them. Reflect upon them. Alter
them.

What meaning do you give to these outer circumstances?

Do the beliefs and attitudes you carry and that place you into a particular state, align you with your quantum vision. Or not?

Remember: Alignment is the key. Optimal states are what will generate outcomes more elegantly.

Being less at the whim of the outer world – and not reacting to it to perpetuate it.

RELEASING MEANING

If you can release meaning – the Quantum possibility exists just beyond that condition.

When we are still in development, we are addicted to meaning this results in 2 steps forward and 2 steps back.

The outer world reveals our conditioned limited selves, as we Become Quantum, these conditions break apart ...

Our reactions are automatic – putting us again and again into limited states ...

Where does your SOUL Live?

23

Where are you staying?

The Souls place of residence to which you constantly return is considered its HOME ... this energetic STATE will generate your Quantum outcome.

If, in the course of a day you constantly focus upon your problems / limitations and you return to that state again and again ...
that is what you will multiply.

Your SOUL Return 24

Planting yourself in the ended state is the
'Soul return' ...

Becoming aware through the course of
the day where you are energetically
'living'.

Are you dwelling in the state of lack /
what you don't have?

Are you dwelling in the state of what you
owe?

Are you dwelling in what people think of
you?

Are you dwelling in what ANYONE thinks.

Are you dwelling in a state of WANT?

Are you dwelling in a state of WORRY about the external world?

Are you dwelling in the past and holding on to what someone might have done/ or not done?

What STATES do you recognize that aren't in alignment with your ideal?

Shift from your limited states of being and plant your Soul in the fullness of your STATE already completed.
Each night as you drift off to sleep – do so from the STATE of 'having'.

INNER WORLD / OUTER WORLD

Render unto Caesar that which is
Caesars,
Render unto the Father, that which is the
Fathers.

Caesar is the 'outer world'. The effect of
consciousness that appears as the 3D
world.

An EFFECT. It has NO creative power.

Father is The Quantum world. The inner /
energetic world of CAUSE. Ultimate
Creative Power.

As we become more Quantum and identified more deeply from Soul / Source ... the 3D world (of Caesar) has less and less power and is less able to maintain realities that are rooted in old conditions.

Old realities have less and less power as you are able to (in the moment), neutralize and release the old biases (Quantum forgiveness), providing you with deep Wisdom and Understanding.

So greater alignment and flow are possible.

From this STATE, we are able to generate new meanings, based on our Higher Consciousness and alignment with Soul / Source

This moves us out of fight or flight / reaction state and into a mindful, conscious response rooted in Power.

Breaks us out of the past ... and into infinite potential.

Reaction to the 3D world will keep you attached to the old external circumstances.

The moment you choose to alter your reaction to outer circumstances is the moment you begin to alter your reality.

As you are reshaping your 'state' and your identity – altering inner world / dissolving conditions of Self – gaining greater access / power of Soul...

you are slipping the bonds of old realities.

STAGES of Quantum Transformation

1. Discovery
2. Transformation
3. Awakening
4. Integration

These stages will help you become aware of and shift STATES when needed.

Discovery

Most immature phase. Separate from Source (Me / It)

Life is shaped by outer circumstances and often driven by pain

Want to 'restore life'

Adversarial with things. (should / could / I wish)

Running away from pain
Life force energy is REACTIVE

Transformation

Enough! I'm setting a new standard.

I'm no longer looking to the past to
define me.

The concept of the problem doesn't
exist, only opportunities to move
forward.

Stronger, more courage, and
excitement

Transform the model of the world
Transform the relationship to stress

Awaken

Start moving into 'life is more than it seems

I know I have gifts to bring to the world and the world has gifts for me

No longer coming from conditioned Self. No one to be wounded. No one to be insulted. Nothing to prove.

Start experiencing life.

Empathy, compassion for Self and others.

Move towards Life.

Able to recognize those things that wounded you are gifts.

Integration

Life is congruent, integrated, WHOLE.

Consciously living in / from more than
one state.

No inner opposition.

Outer world reflects inner world.

A hand is shown on the left side of the frame, holding a stream of fine, glowing purple particles that fan out towards the right. The background is a gradient of purple, from a lighter shade on the left to a darker shade on the right. The overall effect is one of energy and flow.

ACCELERATING FLOW

36

#1. Revisit ULTIMATE FORGIVENESS

Bring to mind a particular person or situation that wounded you in a profound way. (the ultimate grievance)

Imagine them happy, healthy, whole. Living to their highest potential.

Bless them. Completely absolve them of any energetic responsibility or debt to you.

Release them to your Quantum mind.

QUANTUM WORK

Continue to affirm the knowledge that 'if the Quantum is everywhere' ... then you are Quantum and have access to its power.

Continue to Shape your I AM declaration list.

Recognize the Unconscious STATES you have been planting. Notice the patterns of outcome they generate in your life.

Using the State of Transformation (Enough!) declare those states are no longer valuable. Release them. Forgive the person who planted them. Forgive yourself for nurturing them.

QUANTUM WORK

Become aware of Old / New realities growing in the same field. Simply notice.

Become aware of the STATES you occupy throughout the day. Shift them through observation and your AWAKENED state (Life is more than it seems)

Recognize when you are giving power to the outer world – shift it using your DISCOVERY state of being non-reactive

Notice your States and where/ when they are active. You may be living in different states in different areas of your life

Live Q&A

- ▶ This Saturday @ 11 am (PST) – via Web call or Telephone. Will send details
- ▶ Encourage you to join LIVE to get your questions answered.
- ▶ But if you can't, you can email me at contact@simonewright.com
- ▶ Call will be recorded
- ▶ See you then!!! Enjoy your time Becoming Quantum.
