

An abstract visualization of quantum physics. It features a central cluster of glowing particles in various colors (blue, purple, yellow, orange, pink) connected by thin, intersecting lines. This central cluster is surrounded by large, translucent, wavy bands in blue, purple, and orange, suggesting wave functions or probability distributions. The background is dark with some faint, distant light points.

# Becoming Quantum

The Metaphysics of Miracles – LEVEL II  
Module 5

WITH SIMONE WRIGHT

## MODULE #5 – CREATING the REAL: Remembering Your Future

Now that we are familiar with working AS Source, we begin to empower our creative and energetic choices and discover how to shape and direct our energy in precise ways, to start seeing the synchronicities and results that are responses to our work.

In this module we'll discover some exercises that help you deepen your Quantum practice by further refining the elements that support it.

Intensify your relationship with your future, so it becomes vibrantly energized in you

Do some fun, simple yet powerful Quantum exercises ... and our big Quantum prayer as well.

# Quick Review

## MODULE #4 – Your DIVINE STATE : Accessing Infinite Potential

Our reality is a dynamic reflection of our consistent energetic STATES. It reflects who we are BEING.

These states are 'planted' in us when we are very young. We continue to grow them by giving them meaning and maintaining them.

The meaning you give these seeds and your acceptance of them (due to your lack of consciousness) perpetuates their ability to shape your reality

Everything is ... All it needs to be physicalized is for you to occupy it ...

Consciously / Unconsciously Merge with the STATE

Old realities and new realities will exist at the same time in the field of your life. Don't worry about the old. Let them exist until the new reality removes them

The more clearly we recognize our States, the more elegantly we can navigate through them.

The STATE is what we multiply. We create FROM the end.

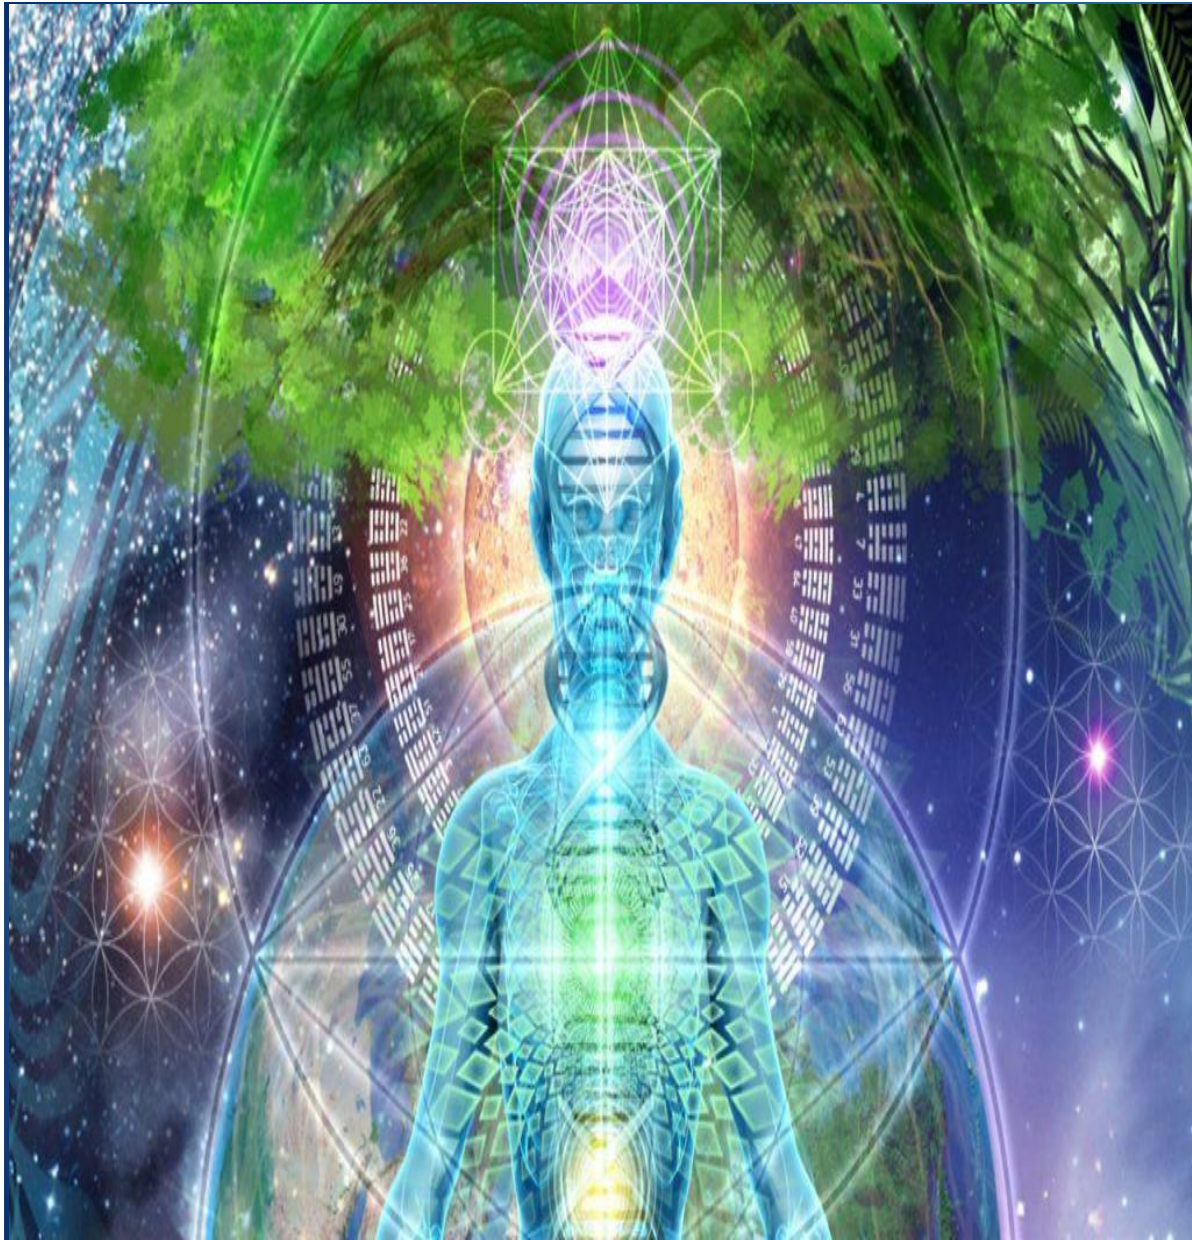

**\*\*YOUR FUTURE OUTCOME also HAS AN ENERGETIC, EMOTIONAL, MENTAL, PHYSICAL STATE. \*\*Have you gotten clear about what that is?**

The 4 stages of the process are:

Discovery  
Transformation  
Awakening  
Integration

These stages support us in becoming aware of and shifting states so we can consistently maintain the state of our future outcome

## PHASE #2

7

### Reminder: **BECOMING POWER**

Power is the ability to engage with, shape and direct energy to create physical outcome.

This module will develop exercises (Quantum Prayer) to create those opportunities.

## YOU ARE the QUANTUM MIND

There is NO separation between you and the Creative mind of the Quantum. The more this becomes TRUE for you, the more power your MIND / IMAGINATION / INTENTION has the capacity to deliberately create.

If this is so then that means:

YOUR thoughts are GODS thoughts.  
ALL of your thoughts have creative power. (-/+)  
The QUANTUM continuously hears you /  
responds to you  
'Ask and it is given'  
The more 'like/ in phase' with the Quantum you  
are, the more effectively you can deliberately  
create

How has this awareness made itself known over  
the last few weeks? What have you noticed?

# PREPARING FOR THE ENERGETIC WORK

## THE "I's" OF YOUR QUANTUM VISION

Inspiration  
Intention  
Identity  
Imagination  
Intuition  
Innovation  
Integration  
Implementation

## WE CREATE FROM the OUTCOME...

Inspiration: What desires for outcomes do you want to create? How does that inspired vision FEEL?

Intention: Have you said a strong 'YES' to them? Knowing that ALL things are possible with the Quantum Mind. How does that FEEL?

Identity: Who are you now? Who will you be when the goal is met? How does that FEEL?

Imagination: What are ALL of the elements of the outcome? Sight. Sounds. People. Places etc...

Intuition: Allow your INTUITIVE mind to lead you through ways you wouldn't normally consider

Innovation: What NEW ideas, approaches make themselves known to you?

Integration: How can you blend ALL of these elements together to generate a Complete energetic picture?

Implementation: How can you begin to make your outcome WELCOME in the world NOW?

## CLOSING THE GAP

As Above – So Below  
As Within – So Without  
On Earth – as it is in Heaven

To He who HAS ... more shall be  
given

## QUANTUM PRAYER

Remember to PRAY means to  
'merge with' ... not begging or  
pleading FOR a thing from some  
external entity,

but to create FROM a thing AS  
the creative entity

## QUANTUM PRAYER

We don't pray *for* peace – we become Peace and expand/express it

We don't pray *for* rain, we embody all of the energies of what it would feel like if rain were here now ...

We don't pray *for* wealth, we embody all of the energetic attributes and attitudes of being wealthy and embody them - consistently

There are multiple ways this can be done...

## PRE-SLEEP QUANTUM PRAYER

Every night before you drift off to sleep, go to bed as though you are **ALREADY** in possession of / living **AS** your outcome.

\*The money is in the bank

\*Your client list is full

\*You have been given the promotion

\*Your body is happy, healthy and strong

\*You have signed the deal

Bringing to your being the FEELING of you going to sleep AS the person who already has the outcome and EVERYTHING that means

Tell yourself that you will wake up as this person as well...

OBSERVE your DREAMS ... they will have messages for you that will help you continue to de-condition and / or have guidance to assist you

## QUANTUM PRAYER for ANOTHER

‘You can only keep, that which you give away.’

This prayer actually magnifies/ amplifies the energy of the prayer ... like a mirror reflected in a mirror becomes an infinite reflection.

There is only one of us here.

If you Quantum generate for another,  
you are multiplying energy because:

#1. You must generate it in yourself first

#2. The person you are generating /  
sending it to is ALSO you

#3. If the other is YOU, who is receiving  
and sending energy – it becomes a  
ripple amplified effect

Holding the image of the person in your awareness:

in their perfect outcome  
in the job/ position that would make  
them happy  
ultimate good  
hearing them tell you how happy they  
are because .....

You congratulating them for their  
success...

Shaking their hand/ hugging them  
Being genuinely happy for them

You can do this for an individual

You can do this for a group

You can do this for the world

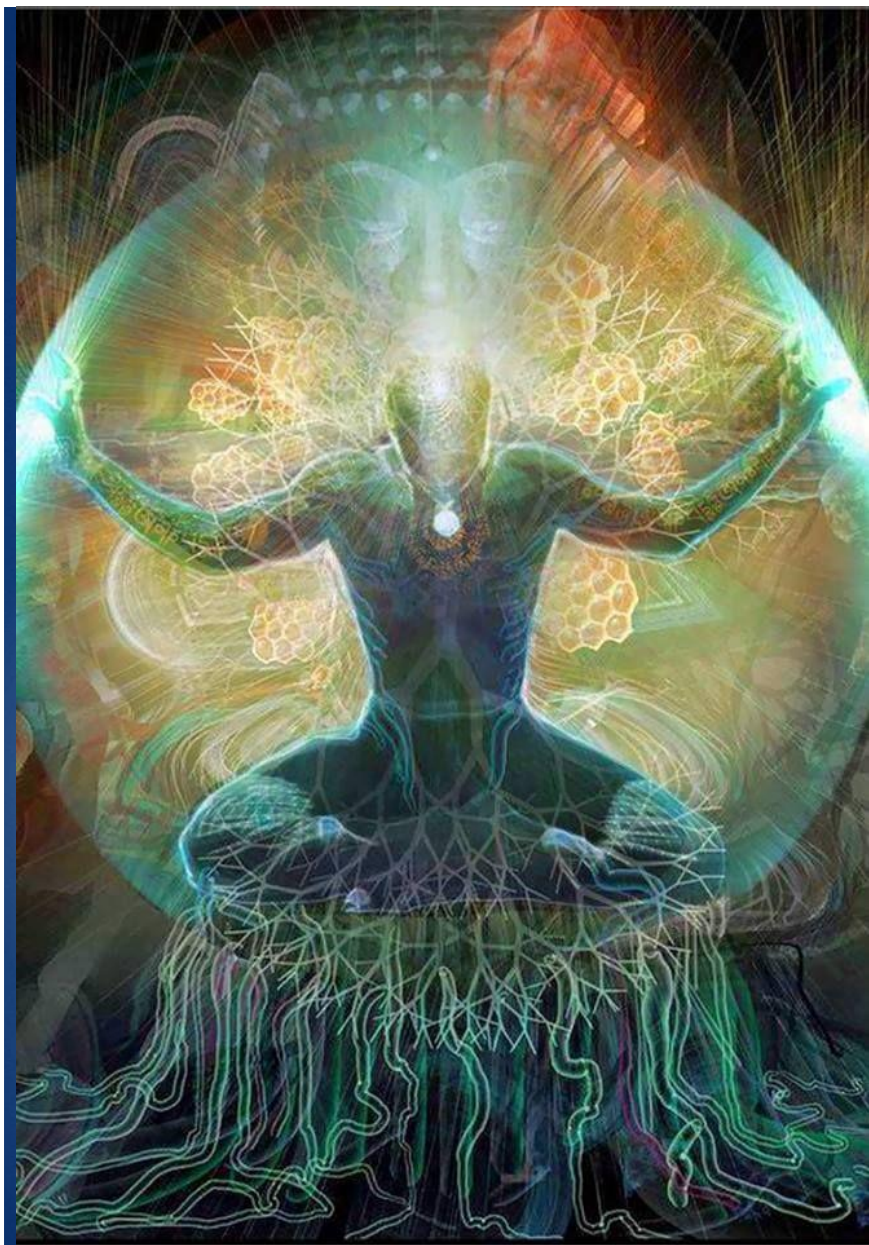

Notice what you notice.  
Synchronicities that align with  
your vision for them – yet that  
benefit you.

# Personal Quantum Prayer

Takes ALL of the elements we have developed in the previous 4 modules and puts them to work.

Happens in 4 stages:

- #1. Generating Coherence / Amplitude – STILLNESS
- #2. Generate I AM energy – STILLNESS
- #3. Generate the HAVING / moving into PHASE with the outcome. Embodying the end result, FROM the end – Releasing it – STILLNESS
- #4. Gratitude / Integration

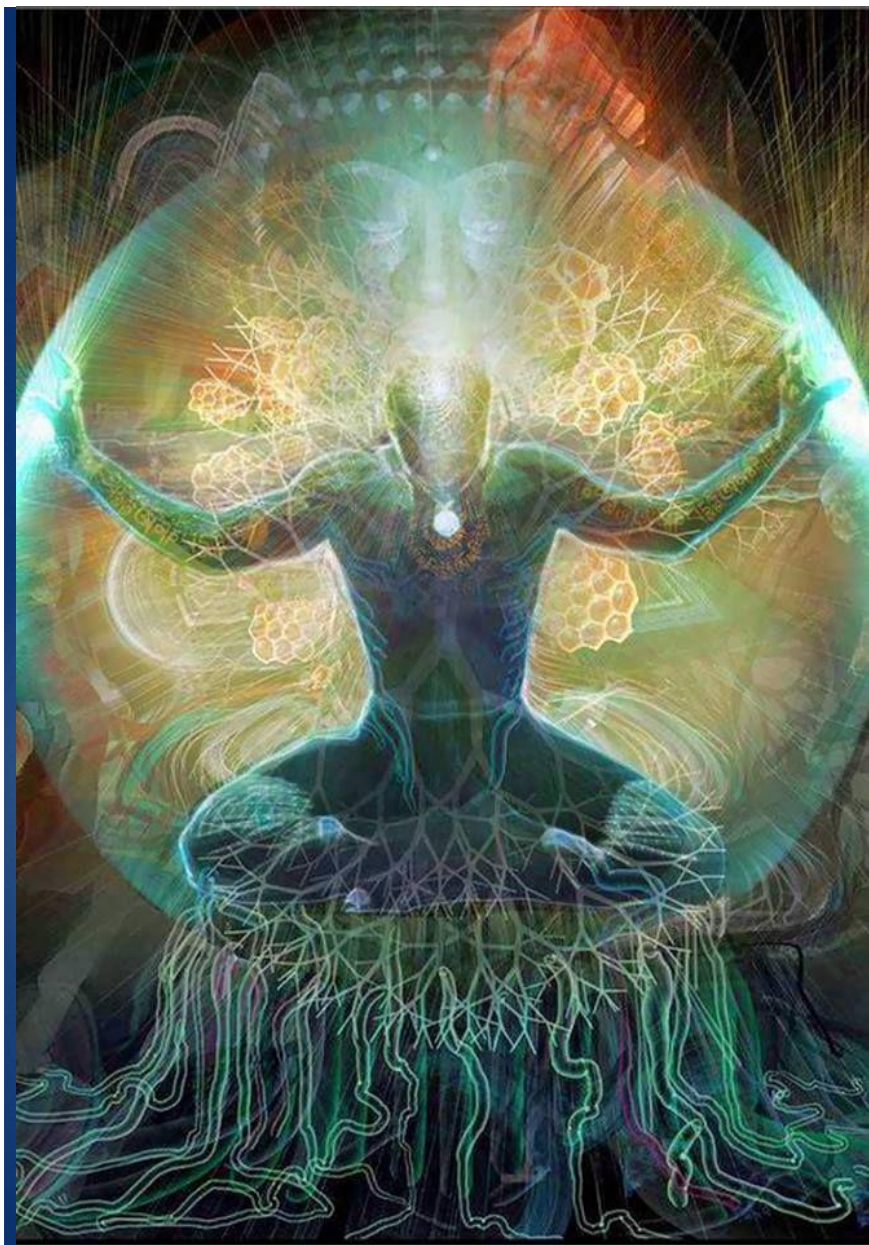

Happens in 4 stages:

#1. Generating Coherence / Amplitude –  
STILLNESS

Take a few minutes to generate Coherence and expand our field, generate amplitude, merge with the Quantum Field – release into stillness

#2. Generate I AM energy – STILLNESS

Take few minutes to generate the IDENTITY and attributes of the Quantum. 'I am safe. I am loved. I am guided. I am supported. I am infinite.' – releasing into STILLNESS

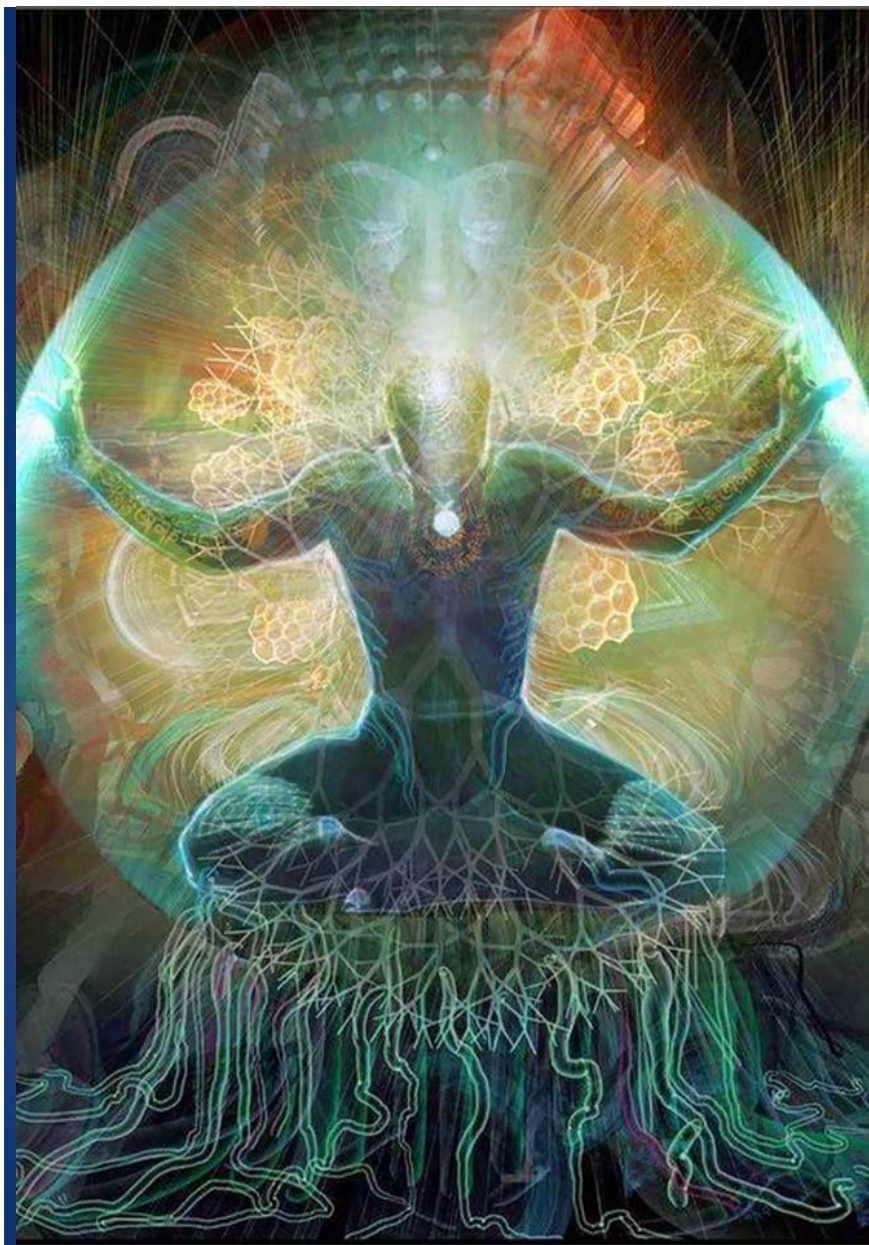

#3. Generate the HAVING / moving into PHASE with the outcome. Embodying the end result, FROM the end – Releasing it – STILLNESS

In this stage you will generate the complete energetic FEELING, HAVING, STATE of your goal and use all of your Imagination, Emotion, Vision, Inner senses to create it. The music will support this emotional state. **\*\*strong/ power\***

You'll maintain this phase for a time – then release it. – STILLNESS

#4. Gratitude / Integration

The final phase is the gratitude for the outcome being achieved.

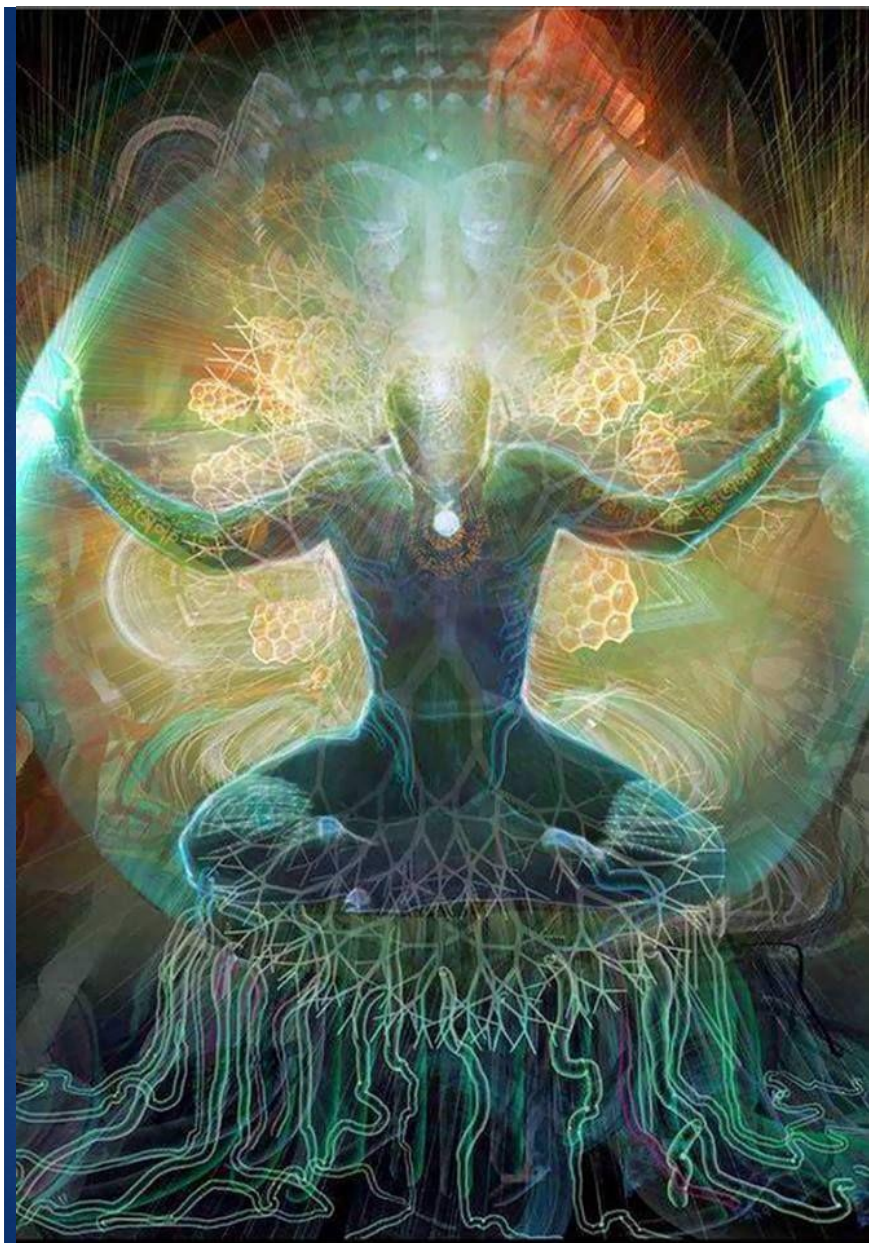

Each of the phases invite the MASCULINE creative element to be energized ...

The STILLNESS in between each phase is the FEMININE attribute being given space. The stillness allows you to 'plant the seed' in the field. (Drops it into the limbic system/ subconscious of the brain)

The strong music is meant to generate / inspire the emotions that empower / energize / add amplitude to the 'thought form' that is your Vision.

Allow the music to elevate those feelings. We want to generate as much POWER as possible to influence the field.

It ends with a massive dose of gratitude as you feel the vibratory tone in your body.

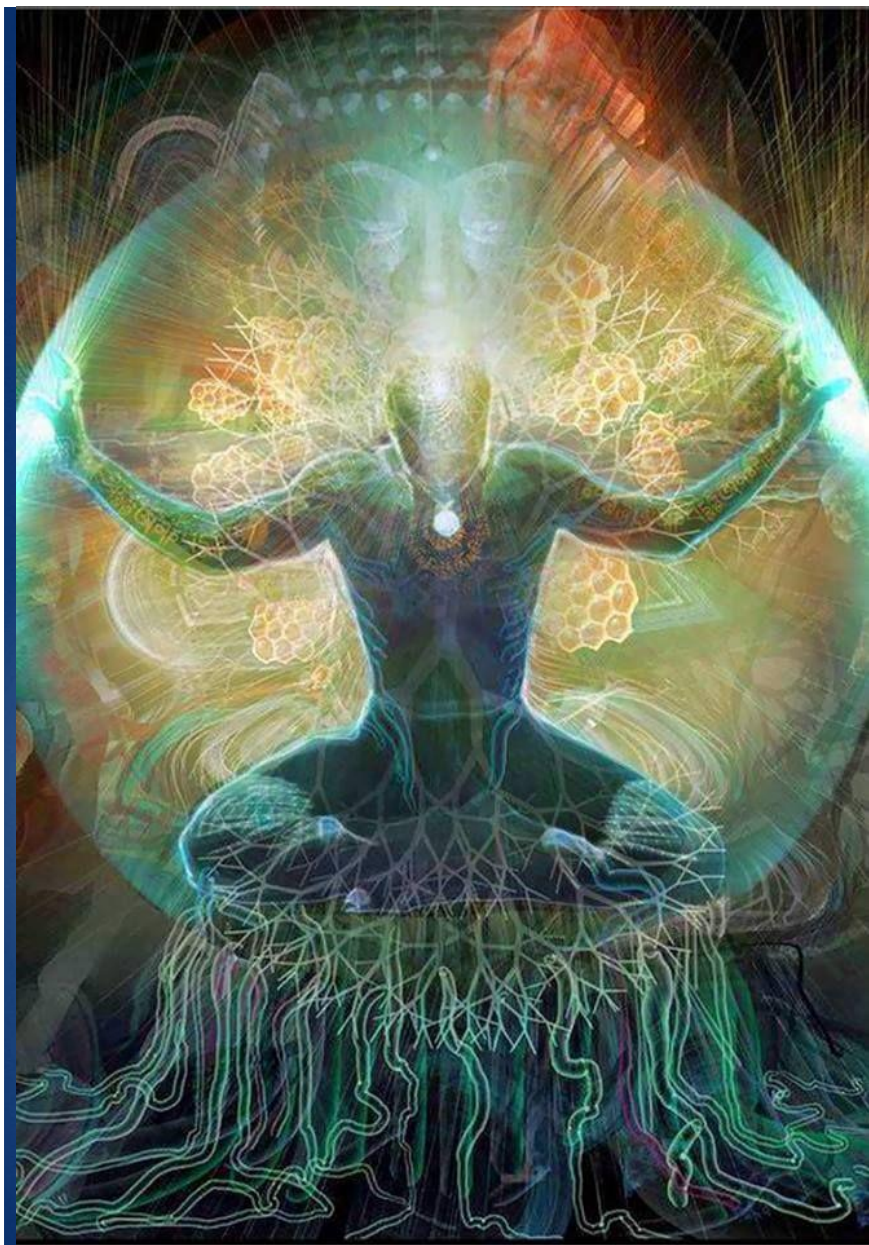

With the energetic 'seeds planted', you release it to the Quantum field to do the work.

With the knowing that because You and the Quantum are ONE .... It HAS heard you.

THANK YOU.

\*\*You'll get familiar with the prayer each time you do it. Allow it to reveal and unfold itself.

Then notice what you notice. Synchronicities, Intuitions, Dreams, Co-incidences, Imaginings, Opportunities etc ...

# QUANTUM WORK

Continue to affirm the knowledge that 'if the Quantum is everywhere' ... then you are Quantum and have access to its power.

Continue to Shape your I AM declaration list.

Be curious about how Inspiration, Intention, Identity, Intuition, Imagination, Innovation, Integration and Implementation play a role in your Quantum goal

Practice 'closing the gap / making your future welcome' in your energetic work and in your moment to moment physical life

# QUANTUM WORK

Practice your Quantum Sleep Prayer each night before bed

Practice your Quantum Prayer for another as often as you can

Develop your Quantum muscles by practicing your Personal Quantum prayer as often as you can. Eventually, you'll notice you are more and more 'IN STATE' – it will become a new energetic identity

Notice what you notice. Dreams. Intuitions. Synchronicities ...

ENJOY the process. Be curious. Let it reveal itself and its mysteries to you!!
